Open Space Overview: Zacharias Trail
Green Hill Road & Hollow Road, Worcester Township

Zacharias Trail is a scenic greenway corridor that weaves through the heart of Worcester Township's preserved open space. This Township-owned area features a walking and biking trail that offers a peaceful experience through wooded landscapes and open meadows, connecting neighborhoods and enhancing recreational access in the southern portion of the Township.

What You'll Find at Zacharias Trail

• **Multi-Use Trail**: A walking and biking path ideal for exercise, nature observation, and commuting between neighborhoods.
• **Natural Surroundings**: The trail passes through areas of woodland and open fields, offering a tranquil and scenic environment.
• **Connectivity**: Provides linkages between Green Hill Road, Hollow Road, and adjacent residential areas, supporting non-motorized access through the community.
• **Open Space Buffer**: Township-owned parcels along the trail corridor help protect the trail's character and preserve the rural feel of the area.

Why This Trail Matters

• **Recreational Access**: The trail gives residents a safe, pleasant place for walking, biking, and outdoor activity.
• **Community Connection**: Links local neighborhoods while promoting healthy lifestyles and sustainable transportation.
• **Conservation**: The corridor helps protect local ecosystems, manage stormwater, and maintain habitat for native wildlife.
• **Smart Growth**: The preserved lots alongside the trail prevent overdevelopment and align with Worcester's long-term land use goals.

A Smart Use of Open Space

Zacharias Trail demonstrates Worcester Township's commitment to thoughtful land conservation and community connectivity. As both a recreational amenity and a natural corridor, it serves residents of all ages and preserves the Township's unique rural character.
