## OFFICIAL ACTION ITEMS

- a) Consent Agenda – Chair DeLello asked if any Member wished to remove an item from the consent agenda. There were no requests to remove an item from the consent agenda.

Supervisor Caughlan made a motion to approve a consent agenda that includes (a) the Treasurer's Report and other Monthly Reports for October 2018, (b) bill payment for October 2018 in the amount of \$247,678.05; (c) the October 17, 2018 Work Session minutes; and, (d) the October 17, 2018 Business Meeting minutes. The motion was seconded by Supervisor Quigley.

Dr. Mollick commented on notification costs for the proposed Center Point Village Zoning Ordinance.

By unanimous vote the Board adopted the motion to approve.

- b) waiver – Mr. Nolan provided an overview of a request to grant a waiver to install a portion of an on-lot septic system in a front yard and in a setback at 1003 Anvil Drive. Mr. Nolan commented on the type of on-lot septic system proposed.

Supervisor Caughlan made a motion to approve a waiver to install a portion of an on-lot septic system in the front yard and in a setback at 1003 Anvil Drive. The motion was seconded by Supervisor Quigley.

There was no public comment.

By unanimous vote the Board adopted the motion to approve.

- c) Resolution 2018-39 – Bob Irick, Engineer for the Applicant, provided an overview of a revised final plan of land development at 2750 Morris Road. Mr. Irick noted the revision decreased the number of loading docks to eight from twelve.

Supervisor Caughlan commented on parking and impervious coverage. Mr. Irick noted the revision results in the retention of more of the existing parking and pervious surfaces.

Supervisor Quigley commented on past neighbor concerns regarding site landscaping and property maintenance. Duane Horne, Property Manager, stated these issues have been addressed. Supervisor Quigley commented on false fire alarms at this property. Mr. Horne

commented on efforts to address this matter. Supervisor Quigley commented on utilization of the emergency access route for the Pennsylvania Turnpike.

Mr. Nolan confirmed there were no outstanding items as to the Application.

Supervisor Caughlan made a motion to approve Resolution 2018-39, to grant approval to a revised Preliminary/Final Plan of land development for Advance Realty, 2750 Morris Road. The motion was seconded by Supervisor Quigley.

There was no public comment.

By unanimous vote the Board adopted the motion to approve.

- d) 2019 Budget – Mr. Ryan provided an update on the 2019 Budget. Mr. Ryan noted the draft budget does not include an increase in taxes and does not include new taxes, and he noted the budget does not include additional full-time employees.

Mr. Ryan provided an overview of primary receipts. Mr. Ryan noted the budget assumes a no increase in Earned Income Tax receipts. Mr. Ryan noted the budget assumes a 14% decrease in building permit fees, as construction at active subdivisions is expected to conclude in 2018 and as recently-approved subdivisions have yet to break ground.

Mr. Ryan noted the budget provides a 5% increase in operating contributions to the Norristown Public Library and Worcester Volunteer Fire Department, and new funding for the Fire Department's mandated purchase of new radios.

Mr. Ryan commented on proposed capital improvements, including the replacement of Public Works vehicles and equipment that have reached the end of their useful life – which includes a 1995 backhoe, a 1996 dump truck, and a 2008 mower. Mr. Ryan noted the Capital Fund also provides for the re-decking of the Barley Lane, Green Hill Road and Woodbridge Lane bridges, the replacement of a stormwater line at Quarry Hall Road, and the replacement of a culvert at Berks Road. Mr. Ryan noted the Capital Fund provides \$835,000 for the Township's annual Road Program, which is in addition to dollars budgeted for program design, bidding and inspection, and which is in addition to funding for smaller roadway fixes to be made throughout the year.

Mr. Ryan commented on Sewer Fund operations, and efforts made by Township staff and the contracted sewer operator to lower system expenses. Mr. Ryan noted the draft budget includes a 0.5% increase to sewer service fees, which equates to an approximate \$0.25 increase per month for each home connected to the Township's sanitary sewer system.

Mr. Ryan commented on the State Fund, and the 2019 estimated Liquid Fuels allocation.

Mr. Ryan noted that, at this evening's meeting, the Members will consider authorization to advertise the proposed 2019 Budget for public inspection, as required by State Law. Mr. Ryan noted adoption of the Budget will be considered at the December 19 Business Meeting.

Supervisor Caughlan commented on the inclusion of administrative expenses to the Sewer Fund budget. Chair DeLello and Supervisor Quigley commented on the Sewer Fund including expenses that would not be realized if the Township did not operate the system.

Chair DeLello commented on amending the proposed 2019 Budget's 10-Year Bridge, Culvert and Storm Sewer Plan to add a Kriebel Mill Road closure assessment to this plan. Supervisor Caughlan commented on advertising the Budget without the multi-year improvement plans for Township infrastructure and facilities. Mr. Ryan commented on the multi-year improvement plans serving a planning guide for local officials, and he noted the multi-year improvements plans are a best management practice for municipal budgets.

Supervisor Quigley made a motion to authorize the proposed 2019 Budget as presented, and with a revision to the 10-Year Bridge, Culvert and Storm Sewer Plan to add a Kriebel Mill Road closure assessment. The motion was seconded by Chair DeLello.

Dr. Mollick commented on budget preparation by Township staff.

The motion was approved 2-1, with Supervisor Caughlan voting no.

## **OTHER BUSINESS**

- There was no other business considered at this evening's meeting.

## **PUBLIC COMMENT**

- Dr. Mollick commented on the utilization of Transfer Development Rights at the Worcester Golf Course, and Member comments on, and consideration of, the proposed Center Point Village Zoning Ordinance.
- Barbara McMonagle, Salford, commented on the vision of Worcester Township, residential density in the proposed Center Point Village Zoning Ordinance, planning experience, and the proposed development of the Palmer property.
- Sue Gabriel, Worcester, commented on residential density in the proposed Center Point Village Zoning Ordinance, and the viability of non-residential development.

## **ADJOURNMENT**

There being no further business brought before the Board, Chair DeLello adjourned the Business Meeting at 9:03 PM.

**INFORMATIONAL ITEMS**

- Chair DeLello noted that, due to the number of persons attending this evening's meeting and due to safety concerns, the Public Hearing for proposed Ordinance 2018-279 will be continued to January 7, 2019, at 7:00pm at the Methacton High School auditorium.

**OFFICIAL ACTION ITEMS**

- a) Public Hearing – Chair DeLello opened the Public Hearing at 7:07pm.

Bob Brant, Township Solicitor, noted proposed Ordinance 2018-279 had been forwarded to the Worcester Township Planning Commission and Montgomery County Planning Commission on October 18, posted in the lobby of the Township Building and to the Township website on October 18, submitted to the Montgomery County Law Library and offices of the *Times Herald* on October 18, and sent by first class mail to affected property owners on November 2. Mr. Brant also noted the perimeter of the properties proposed to be rezoned had been posted on November 2, and public notice of this evening's Public Hearing had been advertised in the *Times Herald* on November 23 and November 30.

Supervisor Quigley made a motion to continue the Public Hearing for proposed Ordinance 2018-279 to 7:00pm on January 7, 2019, at the Methacton High School auditorium. The motion was seconded by Chair DeLello.

Barbara Reed, Worcester, commented on the continuation of the Public Hearing and on continuance notices.

By unanimous vote the Board adopted the motion to approve.

Chair DeLello closed the Public Hearing at 7:15pm.

## **ADJOURNMENT**

There being no further business brought before the Board, Chair DeLello adjourned the Special Meeting at 7:16 PM.

**MEMORANDUM**

**TO:** Worcester Township Board of Supervisors  
**FROM:** Joseph J. Nolan, P.E., Township Engineer  
**DATE:** December 3, 2018  
**SUBJECT:** Engineering Report - Project Status

---

This memorandum will provide an update and status report on the various projects that are ongoing within the Township as of December 3, 2018.

1. Miscellaneous Items

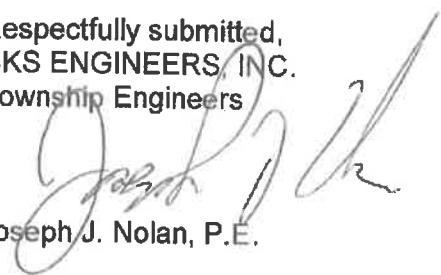

- a. CKS Engineers assisted the Township on numerous zoning and land development related issues as requested during the month.
- b. CKS Engineers performed various site inspections in conjunction with finalizing Use & Occupancy Permits during the month.
- c. CKS reviewed numerous grading permit applications for the Township during the month.
- d. CKS Engineers, Inc. continued to provide inspection services in conjunction with all ongoing land development and subdivision projects throughout the Township. This also included verifying completion of items and preparation of escrow releases for these projects, as requested. Work at the Grove at Meadowood has begun and work on Whitehall Estates and The Reserve at Center Square should commence shortly.
- e. CKS assisted in work required in conjunction with the review and approval of numerous subdivisions and land developments submitted to the Township. These include 2044 Berks Road and the Palmer Tract.
- f. The Riparian Buffer contract has been substantially completed. The contractor is completing restoration and the staking of the plantings.
- g. We continue to work on the design for the Defford Road project. The DEP Permit Application has been submitted for the pedestrian bridge crossing. We anticipate bidding this project in early 2019.
- h. We completed the PennDOT final report on the 2018 Road Program.

The Honorable Board of Supervisors  
Township of Worcester Township  
1721 Valley Forge Road  
Worcester, PA 19490

Dear Board of Supervisors,

On behalf of the employees of Worcester Township, I am pleased to submit the proposed 2019 Budget for our community, to be considered at this evening's Business Meeting. The Budget sets forth a financial plan for our Township during the next twelve months. And it calls to attention those trends, opportunities and challenges that we are likely to face in the years to come.

• General Fund

The 2019 Budget does not include new taxes, and does not increase existing taxes. Worcester Township's real estate tax rate, at 0.05 mills, is the lowest among the 62 municipalities in Montgomery County.

The Budget is conservative in that it assumes revenues from the Township's four primary receipts – the earned income tax, real estate transfer tax, cable television franchise fees and building permit fees – will not exceed that amount projected to be collected in 2018. Revenue from the Township's largest receipt, the earned income tax, is assumed to decrease slightly, to approximately \$2.55 million. This is due to a recent assessment conducted by our appointed tax collector that shows, in part, a projected decrease in larger, one-time remittances.

The Budget also assumes a slow-down in new housing construction in the coming year. While we expect activity at the recently-approved Whitehall Estates and Reserve at Center Square subdivisions, neither project has broken ground as of this date... so in keeping with our conservative budget approach, the 2019 Budget does not assume real estate transfer taxes or building permit fees attributable to either development. The Budget includes \$275,000 and \$80,000 in the real estate transfer taxes and building permit fees, respectively.

The Budget does not propose the hire of additional full-time employees. During the previous four years Township employees have worked to assume new duties, and as a result of their hard efforts the number of full-time employees has decreased from fourteen to eleven since 2015. While the hire of additional full-time employees in the Administration Department is not anticipated in the coming years, it is likely that one Public Works Laborer will be hired in 2020 or 2021. This will be needed in order to properly maintain the Township's expanding roadway and parks networks.

The Township's participation in a multi-municipal health care cooperative has helped to control the rising cost of this insurance. Premiums for most fully-funded insurance plans have increased

by double-digits in recent years. In 2019 Township medical, prescription drug, vision and dental insurance premiums will not increase. This follows a 4.5% increase in 2018, a 3% increase in 2017, and no increase in 2016.

Unfunded mandates continue to challenge the Township's financial position. If not revised or repealed, stormwater regulations imposed by the US Environmental Protection Agency and the Pennsylvania Department of Environmental Protection will cost Worcester taxpayers hundreds of thousands of dollars in the coming decade. The Township is working with neighboring municipalities to develop a sensible stormwater management program that protects our natural resources at a price our community can afford.

Lastly, the Budget continues in its strong support of organizations that help to protect and preserve a higher quality of life in Worcester Township... including the Worcester Township Volunteer Fire Department and the Norristown Public Library, our community's public library. We provide financial assistance to these important organizations because we know that, by working together today, we can best address the challenges of tomorrow.

- Capital Fund

The Budget includes \$475,000 for the 2019 Road Program. In addition, the State Fund (below) provides an additional \$360,000 in road improvement dollars for next year's Road Program. And this amount doesn't include soft costs – like design, bidding and inspections – or the many smaller fixes made by our Public Works Department throughout the year. This significant investment reflects the Township's commitment to maintain a safe and sound infrastructure network.

The Budget also provides for the replacement of Public Works vehicles and equipment that have reached the end of their useful life – including the replacement of a 1995 backhoe, a 1996 dump truck, and a 2008 mower. A pole barn structure is also proposed to be built in the Public Works Compound, at \$54,000. This structure will provide additional under-roof storage for our equipment, helping to maximize useful life of this equipment.

The Budget provides for the re-decking of the Barley Lane, Green Hill Road and Woodbridge Lane bridges, the replacement of a stormwater line at Quarry Hall Road, and the replacement of a culvert at Berks Road.

The Budget also provides for the replacement of four computer workstations and network switches. This investment will allow the Township to utilize the technologies needed to deliver services in a cost-effective manner.

It should be noted Capital Fund budgeted expenditures and receipts are significantly higher than that in recent years. This is attributable to a project to install a sound barrier along a portion of the Pennsylvania Turnpike, between Schultz Road and Berks Road. The \$999,000 project is entirely funded by a State grant.

Lastly, the Budget funds open space acquisition efforts, including \$15,000 for work associated with the possible acquisition of the former North Penn Army Reserve Base.

- Sewer Fund

The Budget includes a 0.5% increase to the residential and commercial sewer service fee. For a single-family home this translates to an increase of \$0.25 per month.

The Valley Green Wastewater Treatment Plant, one of two Township-owned wastewater treatment plants, possesses capacity for new connections. The plant serves the Village of Center Point, and will serve the recently-approved Reserve at Center Square development. But until this development breaks ground, the Budget does not assume these connections will be made to the sanitary sewer system. Three connections (at other properties) are projected to be made in the coming year.

The Budget provides \$128,000 for capital improvements to the sanitary sewer system. Just like our roadway network, the sanitary sewer system requires regular upkeep to maximize the useful life of its many (and pricey) components. The Budget also funds a capital reserve study, which will help the Township to determine how much reserves should be maintained to meet the system's long-term capital requirements. As the system ages, the Township will remain committed to providing required preventative maintenance and improvements. This will ensure the system operates properly, and as efficiently as possible. And, more importantly, by making repairs that are needed today, the Township will not burden future generations of residents with these expenses.

- State Fund

Unlike many other municipalities, Worcester Township does not restrict road improvement projects to that which can be funded by the Commonwealth's annual Liquid Fuel ("gas tax") allocation. And unlike many other municipalities, Worcester Township does not use any portion of this allocation to pay employee salaries or to purchase supplies and equipment. This is because the Township recognizes that Liquid Fuel funding is insufficient to meet our roadway maintenance demands, and the Township is committed to providing those funds needed to properly maintain our community's 58-mile roadway network. Therefore, Worcester Township dedicates every Liquid Fuel dollar received for roadway construction, and the Township budgets significant supplemental construction and engineering funding from the General Fund and Capital Fund.

2018 was the fifth and final year of increased Liquid Fuel allocations under Act 89, the so-called "gas tax" bill. During this time, the Township's annual allocation increased about 40%, when controlled for the roads added to our municipal inventory. The estimated 2019 allocation is approximately \$366,000, or about a 1% increase from that received in 2018. So while the higher gas taxes remain, the days of double-digit annual increases to municipal Liquid Fuel allocations are over, at least for the foreseeable future.

Sincerely,

Tommy Ryan.  
Township Manager.

## Taxes

The **earned income tax** is Worcester's primary revenue source. This tax is assessed on all earned income – such as wages, salaries and commissions – and this tax is proposed to remain assessed at the rate of one-half of one percent (0.5%) in 2019. The tax is not assessed on Social Security benefits, pension payments, retirement fund distributions, investment earnings or unemployment compensation. Beginning in 2010 the State required the collection of the earned income tax to be undertaken on a county-wide basis. This receipt is projected to remain relatively flat in the coming year.

A **real estate transfer tax**, at the rate of one-half of one percent (0.5%), is assessed on the sale of real property. There is no proposed change to this tax rate in 2019. This receipt fluctuates with the number and price of properties sold in the Township. 2018 saw the transfer of several larger and higher-priced parcels, which is reflected in the projected revenue for this year. In 2019 it is likely new home sales will begin at the Meadowood Grove, Whitehall Estates and Reserve at Center Square developments, but the Budget does not assume these transfer tax dollars because home construction has not yet begun. As such the \$275,000 budgeted represents a "base" real estate transfer tax, which would encompass the annual sale of existing homes only, under average real estate market conditions.

Worcester Township boasts the lowest **property tax** in Montgomery County. The Township's property tax is levied at 0.05 mills, and there is no proposed change to this tax rate in 2019. The owner of a property in Worcester Township that is assessed at \$400,000 pays \$20 in property tax to the Township. This same owner pays \$1,539 in property tax to Montgomery County (3.849 mills), and \$12,017 in property tax to the Methacton School District (30.0431 mills).

Worcester collects an annual **per capita tax** at the rate of \$1 per adult residing in the Township. The Methacton School District collects this same tax at the rate of \$15 per adult residing in the Township.

## Licenses & Permits

---

As permitted by Federal Law, the Township assesses a 5% tax on the gross receipts of cable television companies that have installed transmission lines within public rights-of-way. At this time two companies, Comcast and Verizon, pay this **franchise fee** to the Township. The franchise fee is paid on a quarterly basis, and while the Township has seen modest increases in this receipt in recent years, the Budget assumes this revenue will remain flat in the coming year.

A **road opening permit** is required whenever a public street is opened to service a utility line or for any other reason. This permit fee provides for the administrative expense to issue the permit, and any inspection costs are paid by an escrow posted by the individual or company doing the work.

Modest receipts are generated by **sign permits, yard sale permits and solicitation permits**. These permits are required to help maintain our community's higher quality of life.

## Fines & Forfeits

The District Magistrate collects **court fines** (ordinance violations) for citations issued by the Pennsylvania State Police and the Worcester Township Codes Department. This revenue is projected to remain flat in 2018.

In 2012 the Commonwealth adopted a law that eliminated the sharing of vehicle code violation revenues with municipalities that utilize Pennsylvania State Police services. This revenue source is not expected to be restored in the foreseeable future.

Fines & Forfeits	code	2017 Actual	2018 Budget	2018 Projected	2019 Budget
ordinance violations	331-120	\$ 3,547.35	\$ 1,500.00	\$ 3,100.00	\$ 2,900.00
		\$ 3,547.35	\$ 1,500.00	\$ 3,100.00	\$ 2,900.00

## Interest & Rents

The Township invests its funds in interest-bearing instruments and accounts, in accordance with State Law and best management practices. Earnings fluctuate upon the interest rate received, a rate that is governed by many factors. Today's lower **interest** rates are projected to remain at this lower level throughout 2018. Beginning in 2017 the Township posted its operating and capital reserves in the Capital Fund, and began to utilize the General Fund to provide for day-to-day operating expenses only. As such most interest income will be booked to the Capital Fund in 2018.

**Rents and royalties** include receipts from the rental of the Township's Community Hall and a Township-owned single-family home located on Hollow Road.

The Township owns two properties on which **cell towers** are constructed. Tower owners lease the ground from the Township, and the owners also pay to the Township a portion of the rent paid by the owners of communication arrays that are mounted on the towers.

Interest & Rents	code	2017 Actual	2018 Budget	2018 Projected	2019 Budget
interest	341-000	\$ 10,540.04	\$ 1,000.00	\$ 7,450.00	\$ 720.00

# GENERAL FUND

## Intergovernmental Revenue

The General Fund includes revenue from **grants** for operating projects only, and only after the grants have been awarded. The revenue from grants for capital projects, such as park and trail acquisition and development, are booked to the Capital Fund.

The Township receives fees for each of the four liquor licenses issued in Worcester, and additional fees upon a license transfer. The 2019 Budget assumes no change to either the **alcohol license fee** rate or the number of licenses issued in the Township.

The Commonwealth assesses a **foreign fire** insurance tax on certain insurance policies, and earmarks a portion of these funds to support volunteer fire company relief associations. The funds are remitted to the Township, and the Township is required to forward all dollars received to the local fire relief association, which in our community is the Worcester Volunteer Fire Department Relief Association. This annual aid decreased by 9% in 2018, the second consecutive substantive decrease. The 2019 allocation, to be announced in the fall of 2019, is assumed to remain flat.

The Commonwealth likewise assesses a **foreign casualty** insurance tax on certain insurance policies, and earmarks a portion of these funds to support public employee pension plans. In 2017 the Township established a defined-contribution pension plan for all new hires. The plan is significantly more modest than the Township's defined-benefit pension plan, and will save taxpayers considerable dollars in the coming years.

## Charges for Services

The Budget assumes no significant **land development** applications will be submitted in 2019. The Budget also includes the submission of one **Conditional Use** application, one **zoning amendment** application and twelve **Zoning Hearing Board** applications.

**Building permit fees** are budgeted to decrease to \$80,000 from the \$142,800 projected to be received in 2018. The decrease is attributable to the build-out of the Applewood and Preserve at Worcester subdivisions, and the assumption that no residential or commercial developments will break ground in 2019. Based on previous year receipts, the budgeted amount represents permit fees attributable to existing properties only, and does not include any fees for significant improvements to commercial properties. A similar decrease is budgeted for **zoning permit fees**.

The Budget assumes modest growth in Pennsylvania Recreation and Park Society (**PRPS**) **ticket sales**. The municipal recreation consortium, to which Worcester is a member, ended its **park trips** program in 2018 due to a lack of enrollment. This program is not expected to return in the foreseeable future.

## Miscellaneous Revenue

---

Park **miscellaneous** revenue includes pavilion and field rental fees. Field rental fees were enacted in 2016 to offset a portion of the increased costs to maintain the Township's athletic fields. This receipt also includes sponsorships and exhibitor fees for Worcester Community Day.

Most of the **miscellaneous income** received in previous years consisted of State and Federal aid for declared snow disasters.

**Service charge fees** are collected on payments made by credit card. The fee charged is equal to the actual amount charged by the credit card companies.

## Other Financing

---

The Township manages escrow accounts for active land developments and other construction projects. The dollars in these accounts ensure the completion of any public improvements (i.e., roads, sidewalks, stormwater basins) included in each project. Escrow funds are released as improvements are completed, and Worcester assesses an **escrow administration** fee for each release processed by Township staff.

In past years the Township included capital expenditures in the General Fund, and provided an **interfund transfer** from the Capital Fund to the General Fund to meet these expenses. In 2017 the Township began to budget capital expenditures in the Capital Fund, thus eliminating the need for this transfer.

## Legislative

---

This Department provides for the Worcester Township Board of Supervisors, and related expenses. The Board consists of three Members, each elected to an at-large six-year term at municipal elections held in odd-numbered years.

The Board of Supervisors establishes policy, sets levels of public services, adopts an annual budget, and enacts tax rates. In addition, the Board of Supervisors leads several important planning efforts and improvement projects, including the development of a parks system and the adoption of a Comprehensive Plan and Open Space Plan.

Each Supervisor receives a \$2,500 annual stipend and **benefits**, which includes health insurance, as permitted by State law. Worcester Township is a member of a multi-municipal non-profit health insurance trust, an arrangement that has helped to control health care expenses in recent years. For example, there was a two percent increase in 2017, an approximate 4.1% increase in 2018, and no increase for 2019. And in 2017 the Township established a high-deductible health care plan that provides quality coverage for employees, at a reasonable cost to taxpayers.

**Consultant services** include the fee paid to the Township's appointed auditor. This budget item also includes planning services provided by the Montgomery County Planning Commission (MCPC). In 2017 the Township renegotiated its contract with the MCPC due to a decrease in land development activities. The truncated service arrangement will continue in the coming year, and will save the Township an approximate \$9,000 in 2019.

The Supervisors attend educational **meetings and seminars** throughout the year, to discuss issues that affect our community, and to learn about ways to improve our municipal operations. Many of the meetings and seminars are conducted by the Pennsylvania State Association of Township Supervisors (PSATS) and the Montgomery County Association of Township Officials (MCATO).

The Budget also funds membership **dues** to PSATS, MCATO and similar organizations.

## Management

---

This Department provides for the Office of the Township Manager, which includes one full-time employee, the Township Manager.

The Township Manager is appointed by the Board of Supervisors, and serves as the municipality's chief administrative officer. The Township Manager prepares information for meetings of the Board of Supervisors, Planning Commission and Zoning Hearing Board. The Township Manager drafts the annual Budget, and implements the adopted Budget. And while the Township Manager's salary is determined by the Board of Supervisors, in 2017 the Township Manager recommended his salary be capped at its current level, absent an annual one-half of one percent cost of living adjustment that is applied to the recommended salary ranges for all Township positions.

Previous year budgets booked one-half of the Township Manager's salary in this category, and one-half of the salary to the Codes Department. Beginning in 2017 the Township Manager's entire salary was booked to this Department.

Previous year budgets also included a portion of salary paid to the Assistant Township Manager. The Township eliminated this position in 2016, and reassigned the position's duties to other staff, for an approximate \$80,000 annual savings.

In lieu of the use of a Township vehicle, the Township Manager utilizes a personal vehicle for Township business, and receives a fixed monthly stipend for **mileage reimbursement**, fuel, maintenance and all insurances.

The Township Manager attends educational **meetings and seminars** throughout the year, including those conducted by the Pennsylvania State Association of Township Supervisors, the Montgomery County Association of Township Officials, and the Association of Pennsylvania Municipal Managers.

## Finance

---

This Department provides for the Office of the Finance Director, which includes one full-time employee, the Finance Director.

The Finance Director is responsible for accounts receivable and payable, the administration of payroll, and the management of various benefit programs. The Finance Director works to identify, implement and maintain sound financial practices, and to ensure an accurate accounting of all public funds at all times. The Finance Director also serves as the Acting Township Manager when the Township Manager is unavailable to address any matter that requires immediate attention.

The Finance Director attends educational **meetings and seminars** throughout the year, including that conducted by the Pennsylvania State Association of Township Supervisors and the Delaware Valley Insurance Trust. The Budget provides additional funds for continuing education for this position.

## Tax Collection

---

This Department provides for the elected and appointed tax collectors.

The elected tax collector collects property taxes only, and the Township pays 5% on the amount collected. The Township provides **office supplies** for the elected tax collector, and also pays a portion of tax bill mailing expenses.

The appointed tax collector collects the earned income tax and the per capita tax. This firm is appointed by the Montgomery County Tax Collection Committee (MCTCC), in which the Township is a member municipality. The MCTCC pays the firm 1.2% on the amount collected (**professional services**), which is deducted from the funds remitted to the Township. The Township also pays a share of the MCTCC operating budget that is proportional to the Township's receipts relative to the other members, approximately \$300.

Because the Township levies a per capita tax at only \$1 per year, the Township does not pay on the amount collected to the tax collector. Instead, this fee is paid by the Methacton School District, which levies a per capita tax at \$15 per year.

## Legal

This Department provides for the Township's legal services. The Township Solicitor, appointed by the Board of Supervisors, represents the municipality in most legal matters. Due to the volume of legal assistance required on an average annual basis, the Township contracts for legal services rather than staffing in-house counsel, an arrangement that lowers legal fees.

The Solicitor reviews contracts, ordinances and policy documents prior to their adoption, and provides legal advice to the Board of Supervisors and Township Manager. The Solicitor also supports the Township's Open Records Officer to meet the requirements of the Commonwealth's Right-to-Know (RTK) Law.

## Clerical

---

This Department provides general clerical support to Township operations, and includes one full-time employee, the Administrative Assistant, and two part-time employees, the Receptionist and the File Clerk.

In 2016 the Receptionist was promoted to Administrative Assistant. At this time the Township assessed the need for a full-time Receptionist and determined the hire was not warranted. Instead, a part-time Receptionist was hired for an approximate \$15,000 savings per year.

The Administrative Assistant is trained to serve as a back-up to the Finance Director position. The Budget provides additional funds for continued finance-related education, in **meetings and seminars**.

The Budget also provides additional funds to service the Township **computer** network. The work is needed to update the network, and to maintain a secure network. The Budget also provides for annual software license fees.

The Budget provides for contracted **payroll services**, and for general **office supplies**. Budgeted **postage** funds provide for all mailings that are not sewer bills or the Township newsletter, which are funded by the Sewer Fund and the General Fund line item code 459.340, respectively.

**Advertisements** include legal ads the Township is required to publish by State Law in advance of select meetings and scheduled actions of the Board of Supervisors. State Law also mandates that the advertisements be published in certain newspapers, and these newspapers, in turn, charge hefty publication fees. To help offset this cost the Township Manager drafts most legal ads, and submits these to the Township Solicitor for edit, in lieu of having the Township Solicitor draft original ads.

## Engineering

---

This Department provides for the Township's engineering services. The Township Engineer, appointed by the Board of Supervisors, reviews subdivision and land development plans, assesses proposed public improvements, determines the appropriate amount of escrow releases, and provides guidance on the design and construction of certain Township improvements.

As a service to our community, the Township Engineer hosts weekly office hours at the Township Building. Residents may schedule an appointment to discuss stormwater matters, grading issues, or any property concern that is normally addressed by the Township Engineer. This service is available to Township residents at no cost.

The Budget provides an additional \$10,000 for grant support services. The Township Engineer's expertise is required for the proper completion of many grant applications.

## Township Building

---

This Department provides for the operation of the Township Building. The Township Building was designed to facilitate the efficient delivery of the public services. Proper operation and maintenance of the Township Building is required so to ensure the facilities do not become a burden to taxpayers.

**Utilities** include electric, water and internet service, as well as heating oil and propane gas, which is used for the back-up generator. In addition to providing for HVAC system preventative maintenance and cleaning services, **maintenance and repairs** fund parking lot light fixes as may be needed.

The **other expenses** line item has been revised to include expenses that were posted to other line items in previous year budgets. As this line item appears in several Budget Departments, the change will help to standardize the posting of these expenses.

## Garage

---

This Department provides for the operation of the Public Works Garage complex. The complex consists of a small administrative building that includes the office of the Public Works Director, a locker room and a lunch room for the Public Works team. The complex also includes a six-bay building in which vehicles, equipment and tools are stored. In 2016 the Township constructed a salt storage building with vehicle wash bay.

**Utilities** include electric, water and internet service, as well as propane gas, which is used for heating. In addition to providing for HVAC system preventative maintenance and cleaning services, **maintenance and repairs** fund trash and recycling services.

The **other expenses** line item has been revised to include expenses that were posted to other line items in previous year budgets. As this line item appears in several Budget Departments, the change will help to standardize the posting of these expenses.

### **WVFD contributions include:**

- A Township contribution in the amount of \$144,715 for general operating assistance. This amount represents a 5% increase in the operating assistance provided in 2018.
- A Township contribution in the amount of \$100,000 to offset the Fire Company's loan payments on the ladder truck, and to purchase County-mandated radios.
- A Township contribution in the amount of \$8,000 to help provide preventative maintenance services for Fire Department apparatus. Preventative maintenance services include annual tests on ladders, pumps and hoses. This contribution, which will help to prolong the useful life of costly equipment, was established in 2017.
- Pass-through funding received from the Commonwealth's Foreign Fire Insurance Tax. The State levies this tax on certain insurance policies, and earmarks a portion of these funds to volunteer fire company relief associations throughout Pennsylvania. The funds are received by the Township, and the Township remits all dollars to the Worcester Volunteer Fire Department Relief Association. This annual aid decreased by 9% in 2018, the second consecutive substantive decrease. The 2019 allocation, to be announced in the fall of 2019, is assumed to remain flat.

This Department also funds **hydrant rental fees** charged by the North Penn Water Authority, the Pennsylvania American Water Company and Aqua. These three utilities own and maintain 231 hydrants in the Township.

## Code Enforcement

This Department provides Township and building code enforcement programs, and includes one full-time employee, the Codes Clerk, one part-time employee, the Fire Marshal, and a consultant, the Township's building inspector.

The **Fire Marshal** position is budgeted for ten hours per week. The Fire Marshal investigates open burning complaints, manages the Township's fire alarm registration program, reviews land development plans to ensure the proper location of fire hydrants and emergency access lanes, and supports various safety-related efforts.

The Codes Clerk manages the permitting process, which includes the administrative review of zoning and building permit applications, the scheduling of required inspections, and the keeping of an accurate record of improvements made to properties in the Township. In past years the Department funded a portion of the Township Manager salary. Beginning in 2017 the Township Manager salary was booked to General Fund line item code 401.120.

**Supplies** provides for the Township's annual codification needs. Approximately once each year the Township publishes an update to its Code, which encompasses the legislation enacted subsequent to the previous codification. This approach provides a modest savings over the codification of ordinances at the time each ordinance is adopted.

**Consultant services** fund the Township's building inspector, a consultant. The Township contracts for this service because the demand for inspections doesn't warrant the hire of a full-time employee, and because this demand fluctuates with the real estate market and the seasons. In 2016 the Township established a truncated building inspection schedule that offers additional inspection hours during peak construction season (summer), and fewer hours when building activity is traditionally slower (winter). This arrangement encourages a more efficient scheduling of inspections, which saves money.

## Zoning Hearing Board

This Department provides for the operation of the Zoning Hearing Board. The Zoning Hearing Board considers appeals from Zoning Ordinance requirements and decisions of the Zoning Officer.

Zoning Hearing Board Members are appointed by the Board of Supervisors. Members are paid a \$50 stipend for each hearing attended.

The Members appoint a Solicitor who provides legal advice and guidance. State Law requires that the Township fund certain Zoning Hearing Board expenses, and this includes all **legal fees** billed by the Solicitor. If the Township Engineer testifies on behalf of the Township, the Township must also pay these **engineering fees**. Additional **professional services** are provided by a court reporter, and this cost is shared by both the Township and the Applicant appearing before the Zoning Hearing Board.

General support for Zoning Hearing Board operations is provided by Township staff, most notably the Zoning Officer and the Codes Clerk. This support includes drafting legal **advertisements** for the Solicitor's review, and mailing hearing notices.

The higher **legal fees** and related expenses incurred in 2017 were due to the litigation of one Zoning Hearing Board application, and a greater than expected number of Zoning Hearing Board applications received during this year. The litigation is expected to conclude in 2019.

## PA One Call

---

This Department provides for services associated with the marking of utility lines in advance of construction activities. The **PA One Call** system is a communications network of property owners, designers, excavators, and utility owners, created to prevent damage to underground facilities, and to reduce injuries to contractors.

Much of the expense is attributable to the marking of facilities in and around Township-owned traffic signals.

## Public Works

---

The Public Works Department provides for the maintenance of local roads and municipal-owned properties. The Township maintains about 58 miles of roadways, 25 culverts and bridges, 37 miles of storm sewers and approximately 270 acres of parks and other lands. The upkeep of these facilities is needed to maintain a higher quality of life for all Worcester families.

The Budget funds **payroll** and **benefits** for seven full-time positions and one part-time position. The Budget also includes funds for three seasonal employees, if these positions are needed.

Public Works employees are provided with Township-issued **uniforms**. In addition, the Public Works Director and the Public Works Foreman are provided with **cell phones**, as these positions are on call to address after-hour problems on roads, in parks and at other Township-owned facilities.

The Budget funds additional training for Public Works employees. In recent years the employees participated in educational **seminars** regarding roadside flagging and the safe operation of commercial vehicles. In 2018 this important training was provided at no cost by the Delaware Valley Insurance Trust, the Township's insurance provider.

## Snow Removal

This Department provides for the winter maintenance of Township roads. And while the Township budgets for a “bad winter” that includes many snow and ice events, actual expenses will depend on weather conditions.

The Budget funds the purchase of approximately 625 tons of anti-skid **materials**... an amount that does not include a 450-ton stockpile that is currently housed in the Public Works Salt Building. A “normal” 5-inch snowfall requires about 32 tons of salt to treat all Township roads once.

The Township employs a **contractor** for snow removal services in two subdivisions – Milestone and Sunny Brook Estates – and at select roads in the northeast portion of the Township.

## Traffic Signals

---

This Department provides for the operation and repair of traffic signals. The Township owns and maintains twelve traffic signals. In addition the Township funds a percent of five traffic signals that are located on its municipal borders.

The Township Traffic Engineer provides **engineering** services on an as-needed basis.

**Maintenance** services are provided by a contractor who specializes in traffic signal technology and upkeep.

## Machinery & Tools

---

This Department provides for the maintenance of Public Works vehicles and equipment. The Township maintains a fleet of nine trucks and various pieces of equipment that are needed to properly maintain our community's roadway network, parks and other Township facilities. Township's philosophy is to maintain its vehicles and equipment until its useful life has been maximized. Replacement vehicles and equipment are bought only when the useful life is extinguished, and when a replacement purchase is warranted.

**Vehicle maintenance** includes the purchase of tires and parts, and repair services.

This Budget also funds the purchase of **small tools** – such as saws, levels and weed-whackers. Beginning in 2018 funding for **small tool repairs** will be included in the **small tools** line item.

## Road Maintenance

This Department provides fuels for Public Works vehicles and equipment. The Budget assumes an approximate ten percent increase **gasoline** and **diesel** usage, and a ten percent increase in fuel prices, in the coming year. The ten percent increase in usage accommodates several snow storms during the winter season, as a much fuel is needed to operate the plows.

This Department also provides for the purchase of street **signs** and associated hardware.

The Budget increases funding for materials (**supplies**) used for roadway improvements made in addition to those included in the Township's annual road program. The improvements include pothole repair and work to roadside swales.

Beginning in 2017 contracted service for **snow** removal is booked in General Fund line item code 432.450.

In previous Budgets a portion of the Township's annual **road program** expense was booked to this Department. Beginning in 2017 these dollars are provided by the Capital Fund. In total, the Budget provides \$835,000 for the 2019 Road Program, an amount that does not include **engineering** and inspection services. This is a sizable percentage of the annual Budget, and demonstrates the Township's commitment to keeping the community's infrastructure safe and in good repair.

## Stormwater Management

---

New stormwater management regulations are among the most costly unfunded mandates being forced upon local governments today... an expense that is ultimately assumed by Township residents.

The United States Environmental Protection Agency and the Pennsylvania Department of Environmental Protection have mandated that Worcester Township enact extensive regulations (totaling about 119 pages) that affect every property in our community. By these agencies not fully considering the financial impacts of these mandates, a burden has been placed on municipalities and their residents.

The new stormwater regulations are scheduled to take effect in January 2019.

The Township is also required to fund significant stormwater planning and improvement projects. The Budget funds **engineering** expenses the Township will incur to meet this Federal and State mandate. This ongoing expense is projected to increase in the years to come.

## Recreation & Culture

Worcester Township provides a number of recreational programs and community events for residents of all ages.

The Township sells **discounted tickets** for admission to area museums, amusement parks and other attractions, through a program managed by the Pennsylvania Parks and Recreation Society. For each ticket purchased the Township receives a small commission. The program is offered as a service to our residents, and not as a revenue generator.

The Township conducts several popular tennis, basketball and soccer **camps and leagues**. In past years the Township participated in a recreation consortium with two neighboring municipalities. In 2018 the consortium ended its **park trips** program due to a lack of enrollment. This program is not expected to return in the foreseeable future.

The Budget also funds Worcester **Community Day**. The event will be held at Heebner Park in the fall of 2019, and will offer something for everyone in the family. Stay tuned for more details!

Lastly, the Budget provides for the Township's annual contribution to the Norristown Library, our community's public **library**. State aid for public libraries has significantly decreased in recent years. Worcester is proud to continue our strong support of our library, and the Budget provides a 5% increase in funding to this important resource.

## Parks

This Department provides for the maintenance of the Township's parks system, which includes 115 acres of active and passive parklands, and more than 150 acres of natural open spaces..

**Heebner Park**, our community's signature park (totaling 84 acres) includes athletic fields, basketball and tennis courts, walking trails, playgrounds and pavilions outdoor rental facilities. The Zacharias Trail begins in Heebner Park. The Township is now working to extend this trail to nearby Evansburg State Park.

**Mt. Kirk Park** sports one multi-purpose athletic field and a quarter-mile walking trail. This 7-acre park offers a convenient walking trail that connects to the neighboring Chadwick Place development.

**Sunny Brook Park** is home to two softball fields and one multi-purpose field. While this park is located within a residential subdivision, the park is owned and maintained by the Township.

**Heyser Field** is an equestrian-friendly park located behind Community Hall. Various community and equestrian events are held at the park throughout the year. A 700 linear foot unpaved trail winds through the woods behind the horse ring.

The Budget includes considerable dollars to maintain the athletic fields, pavilions, trails and site amenities. In 2016 the Township enacted a modest field rental fee to recover a portion of this cost. The fee, which includes a sizable discount for community and youth organizations, recovers approximately 10% of the annual cost to maintain these facilities.

The Budget also funds **utilities** (electric and water) in service at Heebner Park and Sunny Brook Park.

## Public Relations

This Department provides for the publication of the Township's award-winning **community newsletter**. The quarterly newsletter is mailed to the approximately 3,300 homes and businesses that call Worcester Township home. Township employees prepare the newsletter articles, which lowers production costs.

Township employees also design, publish and distribute an informational packet to new residents.

## Other

The Township pays **real estate taxes** on portions of two properties that are improved with cell towers. The cell tower companies that lease these lands reimburse the Township for the taxes paid. In past years the reimbursements were booked as a General Fund receipt. Beginning in 2018 the reimbursements were credited against this expenditure line item, 481-430.

**Insurances** include premiums paid for property, liability, automotive, inland marine and workers compensation coverages. In 2017 the Township joined a multi-municipal trust that provides all coverages other than workers compensation insurance for volunteer firefighters.

Lastly, the Budget includes a year-end **transfer to the Capital Fund**. This transfer is the Capital Fund's primary receipt, and these dollars are used to purchase vehicles and equipment, improve Township facilities, and provide for other capital expenditures. In 2017 the Township transferred its operating and capital reserves from the General Fund to the Capital Fund, which is reflected in the larger transfer for this year.

## Interest

---

The Township invests its funds in interest-bearing instruments and accounts, in accordance with State Law and best management practices. Earnings fluctuate upon the interest rate received, which is governed by many factors. **Interest** rates are projected to remain at their current modest levels throughout 2019. Beginning in 2018 the Township included its operating and capital reserves in the Capital Fund, which explains the increase in interest receipts in this year.

Interest	code	2017 Actual	2018 Budget	2018 Projected	2019 Budget
interest	341-000	\$ 35,836.02	\$ 20,000.00	\$ 185,500.00	\$ 180,000.00
		\$ 35,836.02	\$ 20,000.00	\$ 185,500.00	\$ 180,000.00

## Other Government Levels

---

The Township seeks to obtain Federal, State, County and other grant funding whenever possible. Grant funding is only included in the Budget when a grant has been awarded. At the time the 2019 Budget was prepared the Township had been awarded grants for:

- trail and amenity improvements at Defford Park;
- basin improvements at Defford Park;
- riparian buffer plantings along a portion of the Zacharias Creek;
- installation of a sound barrier along a portion of the Pennsylvania Turnpike; and
- upgrades to certain traffic signals on Valley Forge Road and Germantown Pike.

The sound barrier project is the largest of the grant projects listed above. This project will receive approximately \$1 million in State funding in 2019.

## Fees

The Township assesses a **traffic impact fee** against most new development. The dollars collected are used to make certain improvements to the community's roadway network so to accommodate future traffic that is attributable to development. A traffic impact fee for the Meadowood Grove development was paid in 2018, and in 2019 it is very likely that traffic impact fees will be paid by the Reserve at Center Square development. But because the Township only budgets these dollars for projects that have broken ground, the latter is not included in the 2019 Budget. As such, a modest amount of traffic impact fees is budgeted for 2019.

The Budget includes **miscellaneous** revenue from the auction of used Public Works vehicles and equipment. State Law requires municipalities to sell vehicles and equipment by auction, unless the property is sold to another municipality, a volunteer fire company, school district or select other non-profit organizations.

Fees	code	2017 Actual	2018 Budget	2018 Projected	2019 Budget
traffic impact fees	363-100	\$ 71,872.00	\$ 14,204.00	\$ 51,700.00	\$ 14,204.00

		\$ 119,704.75	\$ 16,204.00	\$ 54,600.00	\$ 16,204.00

## Transfers In

The Capital Fund's primary receipt is a **General Fund transfer**. A portion of General Fund revenues are earmarked to fund capital reserve accounts that are needed to meet the Township's capital and other long-term needs. Without maintaining adequate reserve accounts, the Township is effectively deferring future obligations to the next generation of Township residents, and this approach is not acceptable.

In 2017 the Township transferred its operating and capital reserves from the General Fund to the Capital Fund, which is reflected in the larger transfer for this year.

## General Government

---

The Township maintains a computer replacement schedule to ensure workstations, servers, switches and other system components are replaced in a timely fashion. The Budget includes funds to replace four workstations and switches in 2019. In addition the purchase and installation of a video recording system for public meetings is included in budgeted **office equipment**.

The Budget provides for modest **improvements** to Township facilities. Additional dollars are budgeted for emergency repairs and other unforeseen expenses.

## Public Works

In many municipalities, the annual road maintenance budget is limited to the Liquid Fuel ("gas tax") dollars received from the Commonwealth. However, this allocation alone is not enough to meet the maintenance demands of a community's roadway network. Worcester Township recognizes this fact, and budgets additional dollars to supplement these State funds. The Budget provides \$475,000 in supplemental funds (**capital roads**) for the Township's 2019 Road Program.

The Budget also funds:

- redecking of three bridges at Barley Lane, Woodbridge Lane and Green Hill Road;
- replacement of a culvert at Berks Road;
- replacement of a storm sewer pipe at Quarry Hall Road; and,
- the installation of a sound barrier along a portion of the Pennsylvania Turnpike.

Of the projects listed above, the sound barrier project is the largest. This project, at \$1 million, is funded by a State grant.

The Budget provides for the following **equipment purchases**:

- a zero-turn mower, to replace a 2008 mower;
- a backhoe, to replace a 1995 backhoe; and,
- a CDL dump truck, to replace a 1996 dump truck.

It is also important to note that the Township does not look to replace vehicles and equipment when these items mature from their depreciation schedules. Instead, the Township replaces these items only at the end of their useful life, so to maximize value.

The Budget also provides for the purchase of a small pole barn in which Public Works equipment will be stored. Keeping this equipment under roof will prolong the equipment's useful life.

Lastly, the Budget provides the required local matching funds for a grant received to certain **traffic signals** on Valley Forge Road and Germantown Pike.

## Parks & Recreation

---

The Budget provides for improvements to three Township parks. A pedestrian trail and bridge will be constructed at Defford Road Park. At Heebner Park and Nike Park, new signage will be installed. The budget also provides dollars for the replacement of any worn amenities throughout the parks system.

The Budget also provides funds for possible **land acquisitions**, including \$15,000 for the acquisition of the former North Penn Army Reserve Base on Berks Road.

## Wastewater Receipts

The Township owns and maintains two stream discharge wastewater treatment plants – the Valley Green Wastewater Treatment Plant and the Berwick Wastewater Treatment Plant – and six pumping stations. This sanitary sewer system services approximately 920 residential and commercial customers.

In 2018 the Township received approximately \$100,000 in **tapping fees** for the Meadowood Grove development, which explains the significant dollars received in this year.

The Budget proposes a one-half percent (0.5%) increase to residential and commercial **sewer fees**. For 2018 and 2017 the sewer fee increased by 1% and 2.4%, respectively, and in 2014, 2015 and 2016 this was fee increased by 10% each year, a measure needed because the Township did not set a fee commensurate with actual expenses for many years. Moving forward the Township will work to minimize operational expenses where possible, and set an annual fee that (a) recovers this cost, and (b) funds a sensible capital reserve.

## Wastewater Expenditures

The Township's three-year contract for wastewater operator services expired in 2017. At that time the Township contracted for new service that allows the Township to be direct billed for sludge removal, testing and chemical purchases (**other expenses**). In addition, the new contract includes a labor rate and other terms that are significantly more favorable to the Township. This arrangement has resulted in a considerable savings to the ratepayers.

A share of the wastewater operator service cost is allocated to each of two wastewater treatment plants (35%) and to each of six pumping stations (5%), and this expense is included in the **operations** line item for each facility.

Like many other municipalities, the Township shops electricity providers, so to lower its **utility costs**. The Township's electricity provider, Constellation, is the selected provider for the Pennsylvania Municipal League's Municipal Utility Alliance Electricity Procurement Program, a multi-municipal cooperative utilized by dozens of municipalities and municipal authorities throughout Pennsylvania.

The Budget provides \$128,000 for **capital improvements** and for unforeseen repairs to the system. Planned capital improvements include the televising of sanitary lines in the Adair neighborhood and the preparation of a capital reserve study. The capital reserve study will help the Township determine how many dollars are needed to meet our long-term maintenance obligations. Saving the right amount of reserves today will help ensure the system does not burden the next generation of Township residents.

The Township invests its funds in interest-bearing instruments and accounts, in accordance with State Law and best management practices. Earnings fluctuate upon the interest rate received, a rate that is governed by many factors. **Interest** rates are projected to remain at their current modest levels throughout 2019. The Township received more interest in 2018 than in prior years as the annual Road Program was completed (and payment made to the contractor) at a later date.

## Licenses

---

Each year a portion of the funds generated by a State tax on gasoline and other fuels is distributed to Pennsylvania municipalities based upon each municipality's relative population and road miles. Municipalities, in turn, are permitted to use these **liquid fuel funds** for road maintenance, road construction and related infrastructure activities and purchases only.

In 2013 the Commonwealth enacted transportation legislation that increased the amount of liquid fuel funds distributed to municipalities. Since this time the Township's annual allocation has increased by about 40%. With these additional dollars the Township has expanded its annual road maintenance program, so to maximize the useful life of critical infrastructure. The increased funding ended in 2018, and the 2019 allocation reflects a very modest increase over the dollars received in 2018. Like modest increases are anticipated throughout the foreseeable future.

## Public Works

---

The Budget earmarks all liquid fuel funds received for the 2019 Road Program. Some municipalities limit their road maintenance program to that able to be funded by the liquid fuel allocation alone. Worcester assumes this State aid, while significant, falls short of that needed to properly maintain our community's roadways. As such all other road maintenance expenses – including the purchase of winter materials and the contracting of snow removal services – are provided by the General Fund. This approach allows the Township to establish an honest budget that adequately funds our roadway maintenance obligations.
