Roof Permit Application Procedures
(Please complete form and return with application)

A. The following codes shall apply & be enforced by the township:

- 2009 IRC/IBC and all referenced codes and standards they're within.
- Code of the Township of Worcester.

B. The following general rules shall apply:

- All residential permits shall either be approved or rejected within 15 Township business days of submittal of *completed* application.
- All non-residential permits shall either be approved or rejected within 30 Township business days of submittal of *completed* application.

C. Fill out the roof permit application (all sections must be completed).

D. General liability & Workers' compensation insurance coverage information.

_____ As permitted, work is being performed by homeowner and Workers' Compensation insurance coverage does not apply and notarized proof of such is enclosed.

_____ Some or all of the work is being performed by a contractor that is self-employed and is exempt from Workers' Compensation requirements and a notarized form is attached for each of these contractors.

_____ Some or all of the work is being performed by a contractor within the meaning of the Pennsylvania Workers' Compensation Law and proof of coverage is attached for each contractor.
