Jolly Road (T-346) – DAY

Whitpain Township

- Walsh Construction will be excavating and performing intermittent demolition on the Jolly Road mainline bridge Monday (6/20) through Friday (6/24) from 6:30 a.m. – 4:30 p.m. Residents adjacent to the work area may experience increased noise levels due to the demolition work.

Non-Residential Areas – DAY

Plymouth and Whitpain Townships

- General construction noise may occur this week with no specific areas or neighborhoods affected. Work will occur from 6:30 a.m. – 4:30 p.m. Residents adjacent to the work area may experience minimal noise impacts from minor excavating, equipment moving, lights and backup alarms.
- Right-of-way fence* removal will occur in non-residential areas.

**In an effort to remove and replace the right-of-way (ROW) fence prior to leaving the area, the contractor will remove sections of the existing ROW fence (up to 1,000 feet) in order to install new, permanent (5' chain link) ROW fencing the same day. It is important that residents relocate any personal belongings on or near the PTC's ROW fence at your earliest convenience. This will allow our work to proceed in a timely manner and help keep the project on schedule. Thank you.*
