Mr. Cornell,

Consider this a request under Pennsylvania's new Right to Know Law.

1. I would like a copy of the e-mail referred to by Supervisor John Harris at the Worcester Board of Supervisors meeting on 6/20/07, during the first public comment period. Supervisor Harris stated he received the email from "the people at the county courthouse." According to Supervisor Harris, the email stated that "they wanted to pass "this" along to the commissioners". "This" being the resolution to participate in the funding 50% of the development rights on the Oliver Smith property which was passed by Chairman Harris and Bustard prior to the first public comment period, before the agenda and **without** any public comment and input in violation of Pennsylvania's Sunshine Law. This Resolution was not on the agenda.

2. I would like any and/or all emails between Supervisors Arthur Bustard and John Harris, regardless of whether they were transmitted and/or received on their personal computers, regarding Township Business and/or activities concerning the Oliver Smith property and/or processing of the development rights associated with that property for the past 4 years.

If this is available in electronic format, this medium would be preferable and most economical.

James L. Mollick
