Records Requested:

We are requesting to know if there are any plans in the near future for any builder to build new housing in Worcester Township. We are looking to move into new construction and would like to stay living in Worcester Township but do not have knowledge of any upcoming new construction. Please advise what plans are approved or in the approval/planning stage so that we may consider remaining residence in Worcester. Please provide information of all aspects to include townhomes, single homes and their respective acreage.

Thanks so much.
