## Worcester Township Truss Signage Information

Truss Signage is now required for certain structure types per Township Ordinance 2021-284 adopted May 19, 2021

The truss signage ordinance only affects new construction and is not retroactive

For more information and for installation requirements and instructions, please click on this [hyperlink](#). (Scroll down to page #4 and look at §41-2 Truss Construction Identification). You can also contact Fire Marshal David Cornish at: [dcornish@worcestertwp.com](mailto:dcornish@worcestertwp.com) or by calling (610) 960-1252.

Please see the following signs below that are required where applicable.

### Vendor list

The developer or owner is required to purchase truss construction signage if it is applicable to his or her occupancy type. While the Township cannot “endorse” one vendor over another vendor, we have listed a couple of vendors that sell the truss construction signage. These vendors are listed below:
