## SUPERVISORS REJECT CALL TO RAISE TAXES

**A**t its July meeting the Board of Supervisors rejected a call to add a property tax referendum to this year's general election ballot. The request to increase property taxes was made by a small group of Township residents (*and one or two non-residents!*). The referendum, if approved by the voters, would have increased the Township's property tax rate to 0.55 mills from 0.05 mills – a ten-fold hike. The tax dollars would have been used for the acquisition and maintenance of open space.

Instead of raising taxes to preserve open space, the Board of Supervisors decided to use a portion of the Township's ample reserve funds to acquire new parks and open spaces. The Township has more than \$14 million in reserve funds that can be used to buy land... a significant amount given that the Township's annual operating budget is about \$4 million.

"Gas is more than \$4 a gallon. Inflation is at 9%. Interest rates are up, home values are down. And a recession is looming on the horizon," says Supervisor Steve Quigley. "Now is not the time to raise taxes. We can continue our work to buy open space without higher taxes."

Last year the Board of Supervisors created the Worcester Township Open Space Preservation Program with the goal of permanently preserving at least 300 acres of land by 2033, the Township's 300th anniversary.

This year the Township purchased a 40-acre farmstead on Fisher Road for \$2 million. The property will serve as a community park (*see page 3*). The Township will borrow the dollars to purchase the property through a 20-year, tax-exempt loan. The loan payment for this property will average about \$147,000 per year.

## Open Space Preservation Program Update

### 300 by 300!

Last year the Board of Supervisors created the Worcester Township Open Space Preservation Program with the goal of permanently preserving at least 300 acres of land by 2033, the Township's 300th anniversary. When achieved more than 20% of the Township's total land area will be preserved forever... that's one in every five acres!

The Board of Supervisors also created a program that matches private donations made to open space preservation efforts. The Township will match every dollar contributed, up to \$300,000 per year, with all funds held in a special account dedicated for open space preservation.

To date Worcester Township has preserved 40 acres (*see page 3*). We're well on our way to 300!

Questions about the Worcester Township Open Space Preservation Program? Visit the Open Space page at [worcestertwp.com](http://worcestertwp.com), telephone the Township at (610) 584-1410, or e-mail us at [openspace@worcestertwp.com](mailto:openspace@worcestertwp.com).

## Township Finances in Great Shape!

At a public meeting in August the Township's appointed auditor presented and discussed the audited financial statements for 2021. The auditor found no problems or other concerns, and noted that audits conducted in recent years were also given similar clean bills of health.

The auditor highlighted the Township's conservative approach to budgeting, which has consistently produced reliable revenue and expenditure projections.

In addition, the auditor noted that Worcester Township received the 2022 Governor's Award for Local Excellence for Fiscal Accountability for its efforts to create a sustainable Sewer Fund that provides the capital reserves needed to meet the sewer system's longer-term obligations. This was the third Governor's Award received by the Township in the last six years. No other municipality in the Commonwealth has received more than two awards during that period.

Copies of the current audit and 2022 Budget, as well as the audits and budgets for the previous five years, are posted to the Finance page at the Township website, [worcestertwp.com](http://worcestertwp.com).

## Ask Mary Ann

When the telephone rings at the Township Building, and the resident on the line asks a question, Receptionist extraordinaire Mary Ann always has the answer. Here's one of questions that Mary Ann often fields, and her answer...

**RESIDENT:** "Can I pay my property taxes at the Township Building?"

**MARY ANN:** "No... the Tax Collector for Worcester Township, Patricia Gramm, maintains an office at her Grange Avenue home. Visit [worcestertwp.com](http://worcestertwp.com) for the office address and contact information."

## CURBSIDE LEAF PICK-UP New Service Starts this Fall!

**Beginning this Fall Worcester Township will offer curbside pick-up of bagged leaves. The service is free for all residents. Leaves collected will be composted at the Nike Park Compost Site.**

**Bagged leaves will be collected on three days:**

- Wednesday, Oct. 26
- Wednesday, Nov. 16
- Wednesday, Dec. 7

Residents must schedule a pick-up no later than 4pm on the Monday before collection day. Pick-ups can be scheduled by e-mail at [leafpickup@worcestertwp.com](mailto:leafpickup@worcestertwp.com), or by calling the Township Building at (610) 584-1410. Simply provide your street address and the estimated number of bags, and we'll do the rest!

**Some important information...**

- Leaves must be placed in 100% biodegradable paper bags. Trash bags, cardboard boxes, and other containers can't be accepted. Loose leaves won't be collected.
- Bags must include leaves only. Sticks, mulch, stones, grass, and any other materials can't be accepted.

Beginning October 1 bagged leaf drop-off will be accepted at the Nike Park Compost Site. The Compost Site is open Wednesday and Saturday, from 10am to 2pm, excluding certain holidays. Visit [worcestertwp.com](http://worcestertwp.com) for the Compost Site holiday schedule. 🗓️

## FALL FUN AT HEEBNER PARK

**Mark your calendar for two fantastic events at Heebner Park this Fall! Both events are free for Worcester Township residents!**

**Pony Rides, Petting Zoo & Duck Races**  
Saturday, Sep. 10, noon to 4pm

Ride a pony through the park. Get up close and personal with sheep, goats, chickens, bunnies, and Indian Fantails. And then there's duck races! You just can't top duck races!

**Bounce for Hunger**  
Saturday, Oct. 8, 11am to 3pm  
(rain date Oct. 9)

Jump away on five bounce rides... including a giant double slide, a challenging obstacle course, and a moon bounce that's perfect for toddlers! Folks are encouraged to bring a canned good for donation to the Township's annual food drive.

## WORCESTER PRESERVES 40-ACRE FARMSTEAD

Worcester Township has purchased a 40-acre farmstead on Fisher Road. This is the first purchase made by the Worcester Township Open Space Preservation Program.

Here are some photographs of this beautiful property... soon to become our next community park!

*A small creek meanders through the property.*

*Wildflowers in bloom, the bank barn in the distance.*

*Treelines border the entrance drive.*

*The Milestone development lies a half-mile to the east, just beyond the trees.*

*A stunning Pennsylvania bank barn centers the property.*

**In the coming months Worcester Township will begin to discuss potential uses and improvements to be made at this property. Updates will be included in future newsletters.**

### Fire Engines! Fire Prevention Week

Be a part of the Worcester Volunteer Fire Department's annual Fire Prevention Week event at Merrymead Farm on Saturday October 8, from 10:30am to 3:00pm. Hey kids, this is your chance to explore super-cool fire engines and to meet real firefighters... all while learning about fire safety (*in a fun way!*).

### Water Study Participants Wanted

Researchers at Temple University are looking for families that drink water from a private well for a paid study. The study, which is funded by the National Institutes of Health, aims to keep children safe from various illnesses that can be spread by drinking water from private wells. Participating families will receive a free whole-home UV water treatment system, a \$1,000 value! Families can participate from home.

To be eligible for the study a family must have a child three years old or younger.

For more information visit the study website at [wetrial.org](http://wetrial.org), call (215)204-5124, or e-mail [wetrial@temple.edu](mailto:wetrial@temple.edu).

**M**ost Worcester Township residents never have to worry about finding their next meal or feeding a family. Others are less fortunate.

As the season of giving approaches please remember those in need by giving to the 7th Annual Worcester Township Food Drive. Food items can be dropped off at the Township Building, 1721 Valley Forge Road, Monday to Friday, 7:00 am to 4:30 pm.

For residents who want to give, but who are unable to stop by the Township Building during normal business hours, the Township is offering two convenient pick-up days! Just leave your donation at the front door, and we'll do the rest. Pick-ups must be scheduled at least 24 hours in advance of the collection date.

#### The two pick-up days are:

- Thursday, November 3
- Thursday, November 10

To schedule a pick-up call the Township Building at (610) 584-1410. All food collected will be donated to a local food cupboard. Please note that we can't accept expired goods, homemade items or any food in glass containers. 🚫

## VOLUNTEER FIREFIGHTERS HOURS LOGGED

**T**hrough the first six months of 2022, the men and women of the Worcester Volunteer Fire Department logged **3,037 hours** conducting drills and responding to calls for help. If these folks were paid firefighters, the estimated cost to Worcester taxpayers for the same number of service hours would total about **\$340,100**.

And if the Township were to employ a *full-time* paid fire department this cost would top \$2 million per year, or about \$183 for each person now living in Worcester!

Our volunteer firefighters may not be paid, but maintaining a dependable volunteer fire department isn't free. The Worcester Volunteer Fire Department is always looking for persons who can help protect our community. But if you don't have the time to volunteer please consider making a tax-deductible contribution to those who are willing to put themselves in harm's way to keep our families safe. 🚒

**Got questions?** Want to register for a program? Contact the Peter Wentz Farmstead by e-mail at [peterwentzfarmstead@montcopa.org](mailto:peterwentzfarmstead@montcopa.org), or by telephone at (610) 584-5104. 📞

## 2022 Road Program Update

At its May Business Meeting the Board of Supervisors awarded a bid for the Township's 2022 Road Program to Glasgow, Inc. of Glenside, PA, in the amount of \$1.12million. It's an impressive investment that comes at a time when many municipalities are decreasing the amount of road work undertaken, due to higher material and labor costs. In contrast, Worcester Township decided to fully-fund this year's program, because we know that deferring road work today only increases the number of fixes needed tomorrow.

The work was underway when this newsletter went to print (August 8), and is scheduled to be completed by the end of August, weather permitting.

**Below is a list of roadways to be resurfaced:**

- Adair Drive;
- Broadview Lane;
- Cedars Hill Road;
- Doe Brook;
- Hedwig Lane;
- Hollis Road;
- Markley Avenue;
- Methacton Avenue;
- Plumlyn Avenue;
- Reichenbach Road;
- Shefley Lane; and,
- Slough Road.

**In addition, the following parking areas and trails will be resurfaced:**

- select trails throughout Heebner Park; and,
- Mount Kirk Park parking area and trail.

Folks driving the above-noted roads may have experienced delays during construction. As always, we thank you for your understanding and patience as the Township works to improve our community's roadways!

## HOW MUCH CANDY IN THE FISHBOWL?

There is a fish bowl in the lobby of the Worcester Township Building. And in this fish bowl there is candy... lollipops to be exact. And lots of them.

How many lollipops are in the fish bowl is your guess, and if your guess is the closest to the actual number you'll win the candy, and sweet bragging rights.

Submit your guess at the Township Building, or by e-mail to [mmurray@worcestertwp.com](mailto:mmurray@worcestertwp.com), before 4:00 pm on October 14. One guess per person please. The winner will be announced in our next newsletter.

And congratulations to **Nicholas Ciabattoni**, whose guess of 157 come closest to the actual number of lollipops (167) in the fishbowl in our last contest. Nicholas, don't forget to share!

The candy is kindly contributed by the employees of Worcester Township, who are not eligible to submit a guess (*sorry folks!*). 📞

- **Reserve at Center Square** – A residential subdivision at Skippack Pike that includes 125 townhomes and 125 single-family detached homes.
- **Whitehall Estates** – A 39-lot single-family detached home subdivision at Whitehall Road.

## BIRD HOUSES

Seventeen new bird houses were recently constructed and installed at Heebner Park and along the Zacharias Trail by Worcester Township resident Michael Willen. The birdhouses were attached to trees by nylon bands, so as to not harm the trees.

This community service project earned Michael the well-deserved rank of Eagle Scout. Congratulations Michael, and thank you! 🐦

## PRESCRIPTION DRUG DROP-OFF

**P**rescription medication abuse is one of the fastest-growing drug problems in the United States. According to the National Institute on Drug Abuse, 14% of men and women ages 18 to 25 abuse these medications. And the abuse rate among youth ages 12 to 17 is almost 5%.

Don't allow a loved one to become a sad statistic. Secure all prescription medications in your home, and never throw unwanted medications in the trash. Instead, bring these drugs to a disposal box for safe destruction. Worcester Township residents can use the disposal box (shown at right) located in the lobby of the Pennsylvania State Police Skippack Barracks at 2071A Cressman Road, Schwenksville. 📍

## WATERSHED PROTECTION TIP

**S**ummer's coming to an end, what a drag. And it will soon be time to drain the pool. Please remember that chlorinated pool water is toxic to fish and other aquatic life. If chlorinated pool water is discharged into the storm sewer system, and enters a waterway, the chlorine can clog fish gills, and block oxygen from reaching fish eggs.

So before draining the pool take the time to dechlorinate the water. This can be done naturally, by not adding any chlorine to the pool for ten days, which allows the sun and air to neutralize the chemical (a good option for lazy folks). For faster results add a dechlorination supplement to the pool water. The fishes will thank you!

This Watershed Protection Tip is part of Worcester Township's ongoing efforts to protect our environment. 📍

## Comprehensive Plan Update

The Worcester Township Comprehensive Plan serves the primary planning guide for our community. The Comprehensive Plan helps to guide growth and land preservation, natural resource protection, traffic management, infrastructure improvement, the provision of utilities, fiscal sustainability, and other issues that affect our community.

State Law requires every municipality to review its comprehensive plans every ten years. Worcester Township started this review in 2020, with the creation of a 17-member Task Force charged with developing specific updates to the plan. The Task Force then sent its recommended updates to the Township Planning Commission, for additional review and discussion. The Planning Commission recently completed its review, and will present its recommendations at a joint meeting with the Board of Supervisors on Wednesday, September 21, at Community Hall, 1031 Valley Forge Road. The meeting begins at 6:30pm. All residents are encouraged and welcome to attend this important meeting!

The current and proposed Worcester Township Comprehensive Plans are posted to "planning page" at [worcestertwp.com](http://worcestertwp.com)... check them out!

## Toys for Tots Collection

There's about 120 shopping days until Christmas. And this year the Worcester Township Building will again serve

as a drop-off location for the Toys for Tots Program. You can help the U.S. Marine Corps deliver a memorable holiday to those in our community who are less fortunate.

Stop in to donate a new, unwrapped gift up to Friday, December 9. The Township Building is open Monday to Friday from 7:00am to 4:30pm. (Please note we'll be closed on November 24 and 25 for the Thanksgiving holiday.)

Used toys, realistic-looking toy weapons, and items containing food can't be accepted. For more information about the Toys for Tots Program please visit [toysfortots.org](http://toysfortots.org).

## Days Gone By

The first stop sign in Worcester Township was erected at the intersection of Germantown Pike and Valley Forge Road in 1937. The first traffic signal was installed at the intersection of Valley Forge Road and Skippack Pike in 1955.
