

Erected Into a Township in 1733
At the Center of Montgomery County

Worcester Township Board of Supervisors

Business Meeting Minutes

April 15, 2026

The Worcester Township Board of Supervisors held their regularly scheduled Business Meeting on April 15, 2026, at the Worcester Township Community Hall.

Call to Order

Lou Betz called the meeting to order.

Pledge of Allegiance

The Pledge of Allegiance was recited.

Roll Call

Board Members Present:

- Lou Betz, Chair
- Christine Steere, Vice Chair
- Rick DeLello, Supervisor

Also Present:

- Wendy McKenna, Township Solicitor
- John Evarts, Township Engineer
- Dan DeMeno, Township Manager
- Christian Jones, Assistant Township Manager

Announcements

Christian Jones announced that the meeting was being video recorded for broadcast purposes. He further announced that the Board of Supervisors met in Executive Session on April 1, 2026, to discuss potential litigation and on April 9, 2026, to discuss personnel matters.

Informational Presentation – Liberty Bell Trail

1721 S. Valley Forge Rd
Worcester, PA 19490

www.worcestertwp.com

610-584-1410

610-584-8901

Jacqui Baxter-Rollins, Executive Director of the Partnership TMA, along with Lucas Oshman and Victor Obeck, provided a presentation regarding the Liberty Bell Trail initiative and related regional trail planning efforts.

The presenters discussed:

- The Partnership TMA's role in promoting multimodal transportation options throughout Montgomery County and the surrounding region.
- The history and current status of the Liberty Bell Trail project.
- Existing and planned portions of the regional trail network.
- A William Penn Foundation grant intended to advance approximately eight miles of unfinished trail connections between Lansdale and Norristown.
- Public outreach and community engagement initiatives currently underway.
- Opportunities for Worcester Township participation through community events and future grant coordination.

Lucas Oshman discussed the consistency of the trail initiative with Worcester Township's 2022 Draft Comprehensive Plan and explained that the Liberty Bell Trail gap was identified as the top priority trail gap within the regional Circuit Trails network. Additional funding opportunities and long-term regional transportation goals were also reviewed.

Board members expressed support for future collaboration and participation in Township events to assist with public outreach and engagement efforts related to the Liberty Bell Trail initiative.

Public Comment

Bill McGrane – Worcester Township

Mr. McGrane commented on the successful inaugural Derby event recently held within the Township and thanked Township staff and officials for their support and facility improvements. He specifically referenced the popularity of the new spectator stands and noted that the pitching rail received significant use during the event. He also acknowledged the participation and support of the Farmers' Union Horse Company, Plymouth Ambulance, and the Lower Providence Police Association.

Mr. McGrane further commented on the Township's Open Space Plan and trail planning efforts. He encouraged the Township to continue advancing implementation efforts related to trails and recreational amenities. He stated that many residents support expanded walking trail opportunities within Worcester Township and noted that his own property contains a trail easement intended for future Township use.

Mr. McGrane also referenced the previously discussed concept of a bandshell or pavilion structure at Heyser Field/Heebner Park. He stated that the structure could support a variety of community activities, including concerts, DJs, Boy Scout events, and other public gatherings. He encouraged the Board to continue evaluating the project and noted that it was previously budgeted but had not advanced. He further commented that certain recreational improvements may not necessarily require grant funding, consultants, or extensive study efforts before moving forward.

No additional public comment was offered.

Consent Agenda

Motion was made by Rick DeLello, seconded by Christine Steere, to approve the Consent Agenda, including:

- March 18, 2026 Business Meeting Minutes
- Treasurer's Report
- Other Monthly Reports
- Monthly Bill List in the amount of \$461,385.60

Motion carried 3-0.

Motion to Advertise – 2026 Road Improvement Bid

John Evarts reviewed the proposed 2026 Road Program, which included improvements to:

- Cold Spring Road
- Country View Lane
- Haines Way
- Hillcrest Drive
- Hampton Court
- Deep Meadow Lane
- Anvil Drive
- Blacksmith Lane
- Acorn Lane
- Glenview Drive

An alternate bid item was also proposed for Fry Road improvements.

Motion was made by Rick DeLello, seconded by Christine Steere, to authorize advertisement of the 2026 Road Improvement Bid.

Motion carried 3-0.

Motion to Advertise – Community Hall Acoustic Improvement Project

Dan DeMeno reviewed the results of a recently completed acoustic engineering study for the Township Community Hall. He explained that the proposed improvements included:

- Installation of stretched acoustic fabric ceiling systems
- Acoustic wall curtains
- Additional speaker and sound system modifications

The goal of the project was to significantly improve sound quality and reduce reverberation issues within the meeting hall.

Board discussion occurred regarding:

- Audio system performance
- Potential visual display upgrades
- Project phasing
- Estimated project costs
- Coordination between acoustic and audiovisual improvements

Public Comment – Community Hall Acoustic Improvement Project

Bob Andorn – Worcester Township

Mr. Andorn commented extensively regarding acoustical and audiovisual improvements. He noted that the Township's sound issues were likely caused by a combination of equipment limitations and the hard surfaces within the room. He stated that sound absorption treatments should work in conjunction with audiovisual improvements rather than separately.

Mr. Andorn requested that the acoustical study be made publicly available for review and questioned whether the proposed project would be bid as a lump sum project or structured in phases. He expressed concern regarding the potential visual impacts of ceiling treatments and suggested that the Township

consider phased implementation to evaluate improvements incrementally before committing to all project components.

Mr. Andorn also questioned the project budget range and stated that visual display upgrades should be considered in conjunction with sound improvements because meeting attendees in the rear of the room struggle to see presentations.

Burt Hynes – Worcester Township

Mr. Hynes commented that acoustical improvements were clearly needed within the Community Hall. He also stated that the current projection screen was too small for effective public viewing and suggested that the Township consider a larger retractable projection screen mounted from the ceiling rather than smaller television displays.

Motion was made by Rick DeLello, seconded by Christine Steere, to authorize advertisement of the Community Hall Acoustic Improvement Project Bid.

Motion carried 3-0.

Resolution 2026-07 – Community Conservation Partnerships Program Grant

Dan DeMeno explained that the Township was pursuing grant funding to update the Township's 2006 Open Space Plan through a new Comprehensive Park, Open Space, Recreation and Greenway Plan.

Motion was made by Rick DeLello, seconded by Christine Steere, to adopt Resolution 2026-07 authorizing the Township Manager to apply for and manage the Community Conservation Partnerships Program (C2P2) Grant.

Motion carried 3-0.

Resolution 2026-08 – Greenways, Trails and Recreation Program Grant

Motion was made by Rick DeLello, seconded by Christine Steere, to adopt Resolution 2026-08 authorizing the Township Manager to apply for and manage the Greenways, Trails and Recreation Program (GTRP) Grant for the Comprehensive Park, Open Space, Recreation and Greenway Plan.

Motion carried 3-0.

Resolution 2026-09 – Trooper Ridge Sewage Facilities Planning Module

Dan DeMeno advised that Resolution 2026-09 related to a sewage facilities planning module associated with the Trooper Ridge development. The matter was tabled at the applicant's request.

Discussion – Heyser Field Naming Request

The Board discussed a prior request regarding the potential renaming of Heyser Field. Discussion included:

- The lack of an existing Township policy regarding renaming public facilities
- The importance of public input and stakeholder involvement
- Recognition of the Farmers' Union Horse Company and equine traditions within Worcester Township
- The need for a consistent Township-wide approach to future naming requests

Board members discussed potentially referring the matter to the Planning Commission for additional public discussion and policy recommendations.

Staff was directed to prepare the matter for Planning Commission review.

Discussion/Motion – America250 / Perkiomen Valley 250 Funding Request

Dan DeMeno reviewed additional information regarding sponsorship opportunities associated with the Perkiomen Valley 250 initiative. Discussion included sponsorship tiers, historical programming opportunities, and community outreach benefits.

Board discussion occurred regarding an appropriate sponsorship contribution amount and related Sunshine Act considerations.

Public Comment – America250 / Perkiomen Valley 250 Funding Request

Bob Andorn – Worcester Township

Mr. Andorn questioned whether a specific donation amount should have been identified on the meeting agenda in advance of Board action. He expressed concern regarding the process and suggested that the Board proceed cautiously regarding Sunshine Act compliance and public notice requirements.

Wini Hayes – Worcester Township

Ms. Hayes commented in support of the proposed contribution and stated that public deliberation regarding contribution amounts was appropriate during a public meeting. She emphasized the importance of the America250 initiative and Worcester Township's role within the region's Revolutionary War history.

Ms. Hayes further encouraged the Township to consider multi-year financial support and noted that many surrounding municipalities had committed funding over two-year periods.

Motion was made by Rick DeLello, seconded by Christine Steere, to authorize a \$10,000 contribution to the Perkiomen Valley 250 organization.

Motion carried 3-0.

Discussion/Motion – Trooper Ridge Zoning Hearing Board Matter

Dan DeMeno provided background regarding the Trooper Ridge development application and pending Zoning Hearing Board request involving interpretation of basement and building height definitions under the Township Zoning Ordinance.

John Evarts and Wendy McKenna reviewed the Township's interpretation and procedural history. Board discussion focused on:

- Compliance with prior preliminary approval conditions
- Zoning interpretation consistency
- Variance versus interpretation relief requests
- Existing ordinance definitions regarding basements and stories
- Potential visual impacts from Trooper Road

Public Comment – Trooper Ridge Zoning Hearing Board Matter

Joe Gale – Applicant Representative

Mr. Gale appeared on behalf of the applicant and provided additional background regarding the requested zoning relief. He explained that only 20 of the proposed 45 townhouse units were affected by the walkout basement issue and noted that the site contains substantial grade changes and topographical challenges.

Mr. Gale stated that the affected units would appear as two-story homes from the front but would include exposed rear walkout basement conditions due to the site slope. He further stated that redesign alternatives involving additional fill and grading would create additional stormwater and engineering complications.

Mr. Gale also advised that the applicant was proposing additional architectural and landscaping enhancements, including stone water table features and enhanced buffering along Trooper Road, in an effort to improve the visual appearance of the development.

Motion was made by Rick DeLello, seconded by Christine Steere, authorizing correspondence to the Zoning Hearing Board expressing opposition to the applicant's requested zoning interpretation while remaining neutral regarding the requested variance relief.

Motion carried 3-0.

Discussion – Methacton High School Zoning Hearing Board Application

Dan DeMeno reviewed variance requests associated with the proposed Methacton High School expansion project, including:

- Front yard setback encroachments
- Impervious coverage increase
- Parking setback encroachments
- Increased parking lot lighting height requests

Discussion occurred regarding the unique nature of the property, existing nonconformities, and procedural sequencing associated with the zoning application.

Board members discussed the importance of balancing the operational needs of the school district with the Township's zoning regulations and neighborhood impacts. Discussion also included concerns regarding parking demand, lighting, and the unusual configuration of the property.

No formal action was taken.

Final Public Comment

Bob Andorn – Worcester Township

Mr. Andorn commented that only a limited number of printed meeting packets were made available to members of the public at the meeting and stated that additional copies should be provided in the future to better accommodate public attendance and participation. He noted that several attendees were unable to obtain copies of the meeting materials and encouraged the Township to increase the number of printed packets available at future meetings.

Mr. Andorn also commented regarding Sunshine Act procedures and stated that, in his opinion, discussion regarding unbudgeted expenditures should occur at one public meeting followed by formal action at a subsequent meeting after the proposed expenditure amount is publicly identified on the agenda. He referenced the America250 contribution discussion specifically and encouraged the Board to consider budgeting similar initiatives during the normal annual budget process going forward.

Mr. Andorn additionally encouraged the Township to begin discussing future participation in the Liberty Bell Trail initiative as part of the 2027 budget process rather than waiting until future funding requests arise.

Amy Smith – Hollow Road

Ms. Smith commented in support of continued investment and expansion of recreational amenities at Heyser Field/Heebner Park. She stated that improvements to the park would benefit Township residents and noted that the area near the parking lot would particularly benefit from a pavilion or shaded gathering structure due to the lack of tree cover and direct sunlight during sporting events.

Ms. Smith further commented that many Worcester Township residents currently travel to neighboring municipalities to participate in concerts, movies, and other recreational programming and expressed support for creating similar community events within Worcester Township. She stated that Heyser Field/Heebner Park is heavily utilized by both Township residents and visitors from surrounding communities and encouraged continued investment in park improvements and recreational programming.

Wini

Hayes – Worcester Township

Ms. Hayes commented regarding the proposed Methacton High School expansion project and stated that the school district should be mindful of stormwater management, impervious coverage, and neighborhood impacts associated with the project. She expressed concern regarding continued expansion and intensity of development on the property and encouraged careful review of the requested zoning relief and long-term impacts on the surrounding area.

Bill McGrane – Worcester Township

Mr. McGrane commented that renaming roads, locations, and public places is not unprecedented within Worcester Township's history. He referenced several historical examples of roadway name changes within the Township and stated that the Township has previously changed names over time as the community evolved. Mr. McGrane made the comments in relation to the ongoing discussion regarding the potential renaming of Heyser Field.

Mr. McGrane also encouraged residents to continue watching Township meeting recordings online and stated that public interest in Township matters extends beyond those physically present at meetings. He further referenced prior discussions regarding the Methacton High School project and zoning matters.

Supervisor Comments

Christine Steere

Supervisor Steere thanked the Farmers' Union Horse Company for hosting the recent Derby event and stated that she was pleased to represent the Township at the event alongside Lou Betz. She noted that the horse show tradition is a unique part of Worcester Township's identity and praised the organization

for continuing a tradition that has existed for approximately 192 years. She also referenced the positive public attention and media coverage generated by the event and commended the organization for preserving an important part of the Township's heritage.

Supervisor Steere also thanked the Worcester Historical Society for hosting a recent historical program relating to the Revolutionary Road and Skippack Pike corridor as part of the America250 initiative. She stated that organizations such as the Historical Society help preserve and promote the Township's historical identity and heritage.

She further thanked the Friends of Worcester and the Perkiomen Watershed Conservancy for organizing a recent creek cleanup effort near the Peter Wentz Farmstead. She noted the importance of maintaining and protecting Township resources and specifically referenced the historical significance of the Peter Wentz Farmstead.

Supervisor Steere concluded by encouraging continued community engagement and participation in Township events and activities. She stated that Worcester Township possesses many unique historical, recreational, and cultural assets and emphasized the importance of finding additional ways to connect residents, particularly newer residents, with the community and its traditions.

Lou Betz

Lou Betz commented favorably on the concept of constructing a pavilion or bandshell structure at Heyser Field/Heebner Park. He discussed the potential benefit of having a shaded gathering area near the parking lot and recreational facilities and noted that such a structure could support a variety of community activities and events within the park.

Adjournment

There being no further business before the Board, the meeting adjourned.

CEO's Message

Shane Wheeler
Chief Executive Officer

2025 was a defining year for VMSC Emergency Medical Services. Across Southeastern Pennsylvania, our organization grew in size, responsibility, and impact while remaining grounded in the same mission that has guided us since 1933: Making a Difference. One Day. One Call. One Life at a Time.

This year, VMSC responded to **32,199 calls** across Montgomery, Bucks, Philadelphia, Monroe, and Delaware Counties, a nearly **67% increase** from the previous year. Behind every number is a person, a family, a crew, and a moment when VMSC was called to help. Our team drove more than **831,000 miles**, served a covered population of more than **1.6 million people**, and continued to deliver emergency medical care with professionalism, compassion, and clinical excellence.

One of the most significant moments of 2025 came when the collapse of the Crozer Health system created an urgent gap in EMS coverage in Delaware County. **In just 10 days**, VMSC mobilized personnel, resources, equipment, and leadership to stand up a new EMS system for Springfield Township, the City of Chester, Upland, and surrounding communities. That response reflected who we are as an organization: prepared, adaptable, and willing to answer the call when communities need us most.

At the same time, we advanced the future of prehospital medicine. The launch of our **Prehospital Whole Blood Program** placed VMSC among a small group of EMS agencies nationwide capable of delivering whole blood in the field. We expanded advanced clinical technology, strengthened hospital and public safety partnerships, and continued building programs that bring higher levels of care directly to the patient.

None of this growth would be possible without our people. Our EMTs, paramedics, dispatchers, educators, volunteers, administrators, and support staff carried this organization through an extraordinary year. We invested in our workforce through training, benefits, wellness, compensation, and career advancement because the strength of VMSC begins with the people who serve.

We also continued to invest beyond the emergency. Through CPR and AED education, Stop the Bleed training, community paramedicine, public safety events, blood drives, and outreach programs, VMSC remained deeply connected to the communities we serve. In 2025 alone, our team donated more than **5,100 public service hours**, representing more than **\$1.28 million** in community investment.

As we look ahead, VMSC remains committed to thoughtful growth, clinical innovation, workforce development, and strong community partnerships. We are proud of what was accomplished in 2025, but even more proud of the people who made it possible.

To our crews, staff, volunteers, municipal partners, healthcare partners, donors, board members, and community members: thank you for your trust, your support, and your belief in this mission.

Together, we are building the future of EMS.

A handwritten signature in black ink that reads "Shane Wheeler".

Shane Wheeler, MBA, CEMSO, FP-C, CP-C, NRP
Chief Executive Officer

Company Overview

VMSC is a leading nonprofit EMS agency providing high-quality emergency medical care, interfacility transport, and community health services across Montgomery, Bucks, Monroe, Delaware and Philadelphia counties.

Vision

Through compassion, innovation, and professionalism, we envision a future where every life can be saved, touched, and transformed by our care.

Mission

Making a Difference.
One Day.
One Call.
One Life at a Time.

HISTORY & LEGACY

Founded in 1933 by Dr. Frank Erdman Boston VMSC, originally named Volunteer Medical Service Corps, was created during a time when access to emergency medical care was scarce. Dr. Boston a trailblazing African American physician, World War I veteran, and community leader, saw a critical need for organized pre-hospital care. With vision and resolve, he established VMSC and what would become Jefferson Lansdale Hospital, laying the foundation for modern emergency medical services in our region. His legacy continues to inspire our mission and values nearly a century later.

Over the decades, VMSC has grown from a small local service into one of Southeastern Pennsylvania's most respected regional EMS providers. We have continually adapted to the evolving needs of the communities we serve expanding our fleet, enhancing our technology, and developing specialized teams to meet new challenges. From wartime support to natural disasters and public health crises, our presence has remained constant.

A Call For Help

2025 System Growth | Delaware County

In 2025, the closure of Crozer Health created an immediate EMS crisis in Delaware County. Communities that had long depended on Crozer for emergency medical coverage needed a stable, local solution without a gap in 911 response. VMSC answered that call, moving quickly to support the City of Chester with staffed ambulances, advanced life support resources, communications support, and crews embedded alongside local public safety partners.

“THIS AGREEMENT WITH VMSC CAME JUST IN TIME.”

– Mayor Stefan Roots, City of Chester

Throughout the year, VMSC’s Delaware County work grew from emergency stabilization into a permanent community commitment. In Chester, Upland, and Parkside, VMSC strengthened frontline coverage, added dependable EMS resources, and helped protect residents during a year when hospital closures, longer transports, and regional system strain made pre-hospital care more important than ever.

In Upland, VMSC and borough leaders established a historic partnership that placed EMS in the borough for the first time. As Upland Borough Council President Christine Peterson said, having EMS stationed locally means “faster response times and better care when it matters most.”

Across Delaware County, VMSC invested in people, partnerships, and readiness, welcoming local EMTs and paramedics, preserving continuity for patients, and building stronger relationships with municipal leaders, fire companies, and residents. What began as a call for help became a lasting promise of reliable emergency care. VMSC became the full-time EMS provider permanently for the City of Chester, Upland, and Parkside.

Operational Impact

In 2025, VMSC responded to **32,199** calls across Montgomery, Bucks, Philadelphia, Monroe, and Delaware Counties. This represents nearly a **67% increase** from the previous year, reflecting both the growing demand for emergency medical services and VMSC's expanding capabilities throughout the region.

CALL BREAKDOWN

Economic Impact

At VMSC, financial stewardship is key to our mission. Through a strategic combination of municipal support, healthcare partnerships, service billing, and grants, we're able to provide top-tier emergency care while investing in our workforce, equipment, and the communities we serve.

VMSC reinvested \$22.6M into local EMS operations in 2025, supporting people, equipment, training, technology, and lifesaving response.

More than 300 VMSC team members serve communities across Southeastern Pennsylvania.

Community support helps fund CPR education, Stop the Bleed training, event coverage, outreach programs, and emergency preparedness across the region.

Giving Back Through Local Jobs and Families

- **\$18.0M reinvested into VMSC's workforce**, supporting 300+ staff members and their families across our service area.
- **\$3.6M in employee benefits**, including healthcare, retirement, and wellness support, with over **\$3.0M in health insurance premiums** helping offset rising costs.
- **\$153.8K invested in education and training** and **\$184.4K in uniforms and protective gear**, ensuring providers are prepared, protected, and ready to serve.

Giving Back Through Community Service

- **\$4.1M in partnerships** supporting hospital, municipal, military, and mobile integrated health programs.
- **\$1.06M in grants, donations, subscriptions, and community funding** sustaining essential services and outreach.
- **\$448.1K in event medicine services** supporting community events and public safety coverage.
- **6,500+ service hours donated**, valued at approximately **\$1.6M**, through CPR training, outreach, standby coverage, and prevention programs.

Giving Back Through Local Readiness

- **\$648K invested in fleet operations**, **\$420K in medical supplies**, and **\$567K in technology and IT systems** to keep crews equipped and response-ready.
- Continued investment in advanced equipment, training, simulation, and system reliability improves safety for both patients and providers.
- Every ambulance, piece of equipment, and training hour represents a direct reinvestment into the communities we serve.

Beyond The **Emergency**

OUR COMMUNITY IMPACT IN **2025**

Hosted over **30 CPR and AED** certification classes for community members, businesses, and local organizations

Delivered **Stop the Bleed** training sessions to schools, community groups, and public safety partners

Expanded community **paramedicine outreach**, connecting high-risk patients with resources and follow-up care

Participated in **National Night Out**, township safety days, and regional public safety events alongside local police and fire departments

Provided **EMS education demonstrations** and career presentations for schools and workforce development programs

Supported **community blood drives**, public health initiatives, and safety awareness campaigns across the region

Where We Made Headlines

WHYY News Radio & Podcasts TV Arts Events Education

HEALTH HEALTH CARE PHILADELPHIA

'We live people's worst day — every single day': How EMTs in Lansdale, Pa. battle burnout

EMTs and paramedics have long been encouraged to suppress their feelings, but that culture of stoicism is changing. Here's how a Montco ambulance service is making it happen.

WHYY spotlighted VMSC's wellness initiative, highlighting how we support the mental health of those who answer the call.

VMSC received widespread media coverage for its rapid expansion into Delaware County following the Crozer closure and for a coordinated life-saving response with police during a critical incident.

2025 was the year we found our voice online. Social media helped us educate, connect, recruit, celebrate and show up for the community. Every single day.

Workforce Development and Training Institute

Investing in today. Building the EMS leaders of tomorrow.

In 2025, the VMSC Training Institute continued to expand its impact across the region, strengthening the EMS workforce and increasing access to high quality emergency medical education. Training programs were hosted across multiple locations including Hatfield, Philadelphia, and Delaware County, allowing students from across Southeastern Pennsylvania and beyond to pursue careers in EMS closer to their communities.

KEY HIGHLIGHTS FROM 2025

Hosting EMT certification courses across multiple training locations

Conducting Advanced EMT programs to help providers advance their clinical skills and scope of practice

Celebrating the graduation of a paramedic cohort, adding new advanced life support providers to the regional EMS system

Expanding hands on clinical education and skills training through classroom instruction and field experience

Increasing access to EMS education in Montgomery County, Philadelphia, and Delaware County

6 Months of Impact
90 new EMS providers trained
136 CPR / 37 ACLS
33 PALS / 22 PHTLS
96 hours of hands-on platoon training systemwide

Through the continued growth of the VMSC Training Institute, the organization is helping address the regional EMS workforce shortage while preparing the next generation of providers who will serve communities across the region.

*Training today.
Saving tomorrow.*

Clinical Innovation & Advanced Care

At VMSC, advancing emergency medicine means bringing hospital-level care directly to the patient. In 2025, our clinical programs continued to evolve through new technology, advanced training, and regional partnerships designed to improve outcomes in the most critical moments.

Pre-Hospital Whole Blood Program

In March 2025, VMSC launched its Prehospital Whole Blood Program, placing us among roughly **1%** of EMS agencies nationwide capable of administering whole blood in the field. This elite capability allows our crews to deliver rapid, life-saving transfusions at the scene, bringing hospital-level trauma care directly to the patient when every second matters.

Advanced Clinical Technology

VMSC continues to integrate cutting-edge tools into prehospital medicine, including portable ultrasound, Sapphire IV pumps, and advanced cardiac monitoring. These technologies allow providers to make faster and more accurate clinical decisions during emergencies.

Regional Emergency Training

Our teams regularly train alongside regional fire departments and public safety partners through joint rescue drills, cardiac arrest simulations, and multi-agency response training. These exercises ensure seamless coordination during complex emergencies.

Innovation in Emergency Care

VMSC partnered with Delta Development Team to begin beta testing BloodCOMM, an innovative blood management platform designed to track and monitor blood products between hospitals, blood banks, and EMS agencies. This collaboration places VMSC at the forefront of innovation in prehospital care.

2025 YEAR IN REVIEW

January

- VMSC led the evacuation of 142 patients from Montgomeryville Skilled Nursing and Rehabilitation Center following a major water main break.
- K9 Search and Rescue team achieved Canine Good Citizenship certification milestones.

February

- Wellness team distributed hydration and wellness kits to crews during Heart Month, thanks to a donation from Liquid I.V.

March

- VMSC launched our Prehospital Whole Blood Program, bringing hospital-level trauma resuscitation capabilities to the field and placing us among approximately 1% of EMS agencies in the United States equipped to deliver whole blood in the prehospital setting.

April

- Supported Autism Awareness Month through fundraising for the Indian Creek Foundation.
- VMSC received the 2025 Top Workplaces Culture Excellence Award for Compensation and Benefits.

May

- On May 10, VMSC officially launched EMS operations in Delaware County, rapidly establishing a new emergency medical response system.
- During EMS Week, VMSC hosted community outreach events, launched a quarterly community blood drive, and expanded CPR and public safety training programs across the communities we serve.

June

- Upper Gwynedd Township honored VMSC crews with a Life Saver Award following a successful resuscitation resulting in ROSC.
- Chief Shane Wheeler received the Hometown Hero Award from the Chamber of Commerce for Greater Montgomery County.

2025 YEAR IN REVIEW

July

- Raised \$1,000 for the Families Behind the Badge Children's Foundation.

August

- VMSC partnered with Upper Gwynedd Police and the Fire Marshal to deliver Stop the Bleed training for township employees.
- Provided EMS standby at the Philadelphia Folk Festival and conducted joint rescue training with Perseverance Fire Company.
- VMSC and Hatfield Township announced a partnership to repurpose the township police station into a VMSC administrative and logistics hub.

September

- VMSC Paramedic Program welcomed two new classes, and a new EMT class began in Hatfield.
- Partnered with Upland Fire Company for Stop the Bleed training and hosted Children's Hospital of Philadelphia pediatric training for paramedics.

October

- Supported Breast Cancer Awareness Month, raising funds for the Pennsylvania Breast Cancer Coalition.
- Announced a new operational partnership with Perseverance Fire Company, relocating a 24 hour paramedic ambulance to strengthen coverage in the Indian Valley region.

November

- VMSC participated in Giving Tuesday and hosted its annual staff awards banquet

December

- VMSC, in partnership with Upper Gwynedd Township and Souderton, was awarded a combined \$232,000 in Local Share Account grant funding to advance the Heart Safe Community initiative.

See you
next year!

VMSC Critical Response Triad

VMSC emphasizes its review of the Critical Response Triad—cardiac, trauma, and stroke-related calls—because timely intervention in these cases can significantly improve patient outcomes and survival rates.

Where are our calls?

VMSC's April Global Scale

Mental Health | Responded to **80** behavioral health-related calls.

Community Harm | Handled **46** Overdoses, up from 45 last month, resulting in **11** Narcan administration by EMS. Also responded to **47** incidents involving deliberate injury, up from 40 last month.

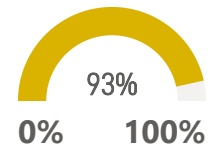

Climate | Dispatched to **5** weather related motor vehicle crashes.

Diversity | **57** patients had language barriers. **25** patients were morbidly obese. **33** were in a state of emotional distress. And 24 were developmentally impaired.

April 2026 Patient Satisfaction Rating

"My first time calling for help. Was amazed how kind & professional the EMT'S were."
3/27/2026

Mutual Aid

VMSC provided mutual aid for 73 calls this period, with the most significant contributions to Freedom Valley - 15, Ambler - 10, Grand View - 7, Levittown-Fairless Hills - 4, Horsham - 3, Chal-Brit - 2, Lafayette - 2, Others - 30

Conversely, VMSC received mutual aid 23 times, down from 29. Freedom Valley - 8, Skippack - 4, Ambler - 3, Chal-Brit - 3, Second Alarmers - 2, Horsham - 2, Plymouth - 1.

EMS Week!

From then to now, the mission never changed. This EMS Week throwback is a reminder of the roots behind everything we do today. The people, the commitment, and the drive to always show up. We celebrate EMS Week May 17 - 23, 2026. We're still out here making a difference one day, one call, one life at a time.

Stay tuned

We've got community events and more planned, and we can't wait to share them with you.

Celebrating EMS week

VOLUNTEER MEDICAL Service Corps of Lansdale members came together with one of their Berksite Ambulance during an open house at their headquarters on Medical Campus Drive. The event ties in with celebrations across the region and country celebrating National Emergency Medical Services Week.

NORTH PENN WATER AUTHORITY
MINUTES OF THE BOARD OF DIRECTORS' MEETING
MARCH 24, 2026

George E. Witmayer, Chair, called the meeting to order at 7:02 pm. The following Board members attended the meeting: Kenneth V. Farrall, Richard C. Mast, Amy Cummings-Leight, Arthur C. Bustard, Franco D'Angelo, Robert C. McCarney, William K. Dingman, Michael R. Filiatrault and Jeffrey H. Simcox. Also present were Keith L. Hass, P.E., Executive Director, Ami Tarburton, Director of Finance and Human Resources, Daniel P. Pearce, Director of Information Technology, Daniel C. Preston, P.E., Director of Asset Management and Strategic Initiatives, Jonathan C. Hartzell, Director of Operations and Field Services, and Paul G. Mullin, Esquire, Hamburg, Rubin, Mullin, Maxwell & Lupin, Solicitor.

The following items, by agenda number, were discussed:

1. **MINUTES** - Upon the motion of Mr. Bustard, seconded by Mr. Farrall, the Board approved unanimously the Minutes of the February 24, 2026, Board of Directors meeting as presented.

2. **BIDS:**

- 2.1. **Reject Bids and Reauthorize Bids - Contract 805 – 2026 Main Replacements Projects Group.**

- 2.1.1 Mr. Preston reviewed the reasons for rejecting the bids related primarily to the need to defer the Lawn Avenue project, which is more than 50% of the Bid amount. The recommendation is to rebid the project without the Lawn Avenue project with the goal of replacing the targeted 1.5 miles of main replacement in 2026.

Upon the motion of Mr. Farrall, seconded by Mr. Dingman, the Board voted unanimously to reject the bids, dated 2/17/26 and further, authorized the advertisement of bids for the revised Contract 805.

3. **PUBLIC COMMENTS** - There were no members of the public in attendance at the meeting.

4. **FINANCIALS:**

- 4.1. The **Statement of Income and Expense** for the period ending February 28, 2026, was highlighted by Ms. Tarburton and discussed. Ms. Tarburton noted that Metered Sales were up 4%, compared to 2025. Total Revenues are down slightly by about \$150,000, year-to-date compared to 2025, due primarily to reduced tapping fee revenue. Operating expenses were 17% of budget with 17% of time elapsed with no significant variances. Income after debt service is 13% of budget. Debt Service Coverage is at 1.62, which is above the 1.10 required by the Trust Indenture. Total Debt Service Coverage is at 2.54 due to the timing of non-operating revenue and this will continue to level out as the year progresses. Capital expenditures are at 4% of budget and metered sales charts are at or exceeding the 3-year average, except for industrial, which is up significantly. We will continue to monitor this. There is no balance sheet this

month since we are in the middle of our auditing process. The Human Resources and Payroll report was also reviewed and discussed. Following discussion, upon the motion of Mr. Farrall, seconded by Mr. Dingman, the Board voted unanimously to accept the financial reports and file for future audit. Ms. Tarburton noted that it is expected that the 2025 final audits will be distributed prior to the April Finance Committee meeting.

4.2. Check Registers for the period February 19, 2026, to March 18, 2026, were distributed and discussed. Upon the motion of Mr. Farrall, seconded by Ms. Cummings-Leight, the Board ratified unanimously the payments listed.

5. **OPERATIONS, METER/CUSTOMER SERVICE, STATISTICS AND PUBLIC RELATIONS REPORT** - The Report for the month of February 2026 was presented, highlighted by Mr. Hartzell, and discussed. Mr. Hartzell noted the high incidence of main breaks in the month due to the weather conditions.
6. **ENGINEERING, WATER QUALITY AND COMMUNITY PARTNERSHIPS REPORT** - The Report for the month of February 2026 was presented, highlighted by Mr. Preston, and discussed.
7. **INFORMATION TECHNOLOGY REPORT** - The Report for the month of February 2026 was presented, highlighted by Mr. Pearce, and discussed.
8. **FOREST PARK WATER** – Mr. Dingman, Chair of the Forest Park Water Operating Committee, reported that there was a Forest Park Water Operating Committee meeting on March 17, 2026, to discuss the Forest Park Water Treatment Plant expansion. The minutes are included in the report. Mr. Dingman provided a summary of the discussions. Mr. Hass noted that the committee concurred on the conceptual design and is recommending authorization to commence Phase II Preliminary Design. The Board agreed with the committee’s recommendations and upon the motion of Mr. Filiatrault, seconded by Mr. Farrall, the Board voted unanimously to accept the conceptual design as submitted. Upon the motion of Mr. Farrall, seconded by Mr. Filiatrault, the Board authorized the commencement of the Phase II preliminary design contingent upon acceptable pricing.
9. **MAIN EXTENSIONS:**

9.1 -- M.E. 1554 – 380 E. Hancock Street, Wilmington Capital Limited, LLC, 380 E. Hancock Street, Lansdale Borough

Upon the motion of Mr. Simcox, seconded by Mr. Farrall, the Board authorized Final Approval for 9 EDUs, and further, authorized execution of the Main Extension Agreement.
10. **ITEMS FOR DISCUSSION** – There were no items for discussion.

11. **COMMITTEE REPORTS:**

- 11.1. Engineering Committee - Mr. Farrall, Chair of the Engineering Committee, reported that the committee had not met since the last Board meeting; however, minutes are attached from the last committee meeting. Upon the motion of Mr. McCarney, seconded by Mr. Mast, the Board approved unanimously the Minutes of the February 24, 2026, Engineering Committee meeting.
- 11.2. Executive Committee – Mr. Simcox, Chair of the Executive Committee, reported that the committee had not met.
- 11.3. Finance Committee – Ms. Cummings-Leight, Chair of the Finance Committee, reported that the committee had not met but a meeting is planned for April 28, 2026, prior to the Board meeting.

12. **CORRESPONDENCE** - Various items of correspondence and newspaper articles contained in the Authority meeting booklet were reviewed. Mr. Hass noted the article related to NPWA’s involvement with WWIP and also the article related to Lehigh County Authority and proposed data centers in their service area.

13. **COMING EVENTS:**

- 13.1. NPWA/NWWA Joint Board Meetings
Thursday, April 2, 2026 (Cancelled)
Thursday, September 3, 2026
North Penn Water Authority
300 Forty Foot Road, Lansdale, PA
7:00 pm
- 13.2. Roadmasters Meeting
Thursday, April 9, 2026
Hennings Market
290 Main Street, Harleysville, PA
- 13.3. Public Voting
Tuesday, May 19, 2026: Primary Election
Tuesday, November 3, 2026: General Election
North Penn Water Authority
300 Forty Foot Road, Lansdale, PA
- 13.4. Annual Municipal Banquet
Thursday, May 28, 2026
Indian Valley Country Club
650 Bergey Road, Telford, PA
- 13.5. Forest Park Operating Committee Meeting
Tuesday, August 18, 2026
North Penn Water Authority
300 Forty Foot Road, Lansdale, PA

6:00 pm

- 13.6. PMAA 84th Annual Conference and Trade Show
September 13-16, 2026
Erie Bayfront Convention Center
1 Sassafras Pier
Erie, PA 16507
- 13.7. Forest Park Customer Appreciation Day Golf Outing
Monday, September 28, 2026
The Bucks Club
2600 York Road, Jamison, PA

14. **OLD BUSINESS:**

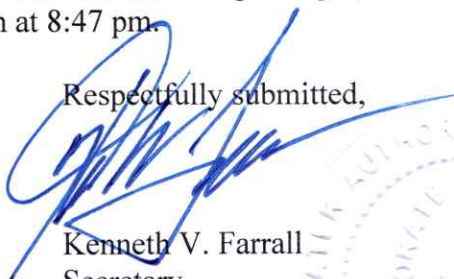

- 14.1 Authorize and Execute Accupac, Inc., Payment Agreement - Mr. Hartzell presented for execution the previously discussed agreement with Accupac, Inc. The Agreement is signed and ready for our execution. Upon the motion of Mr. Bustard, second by Franco D'Angelo, the Board authorized unanimously the execution of the Agreement.
- 14.2 Authorize and Execute OnBoard Master Service Agreement – Ms. Tarburton reviewed the scope of the Agreement and the need for electronic board document management software. Mr. Pearce provided additional details, noting that each Board member will be issued a 13-inch Apple iPad. The solution is a SaaS (Software as a Service) , cloud-based platform, enabling secure access to board materials from any location. All Board members will receive training on how to use the software remotely. Paper copies of meeting materials will remain available upon request for those who prefer a physical format. Upon the motion of Mr. Mast, seconded by Mr. Bustard, the Board authorized unanimously the execution of the Agreement.

15. **NEW BUSINESS** – There was no New Business.

16. **EXECUTIVE SESSION** – The Board adjourned to Executive Session at 8:22 pm to discuss real estate matters and reconvened at 8:47 pm.

There being no further business, upon the motion of Ms. Cummings-Leight, seconded by Mr. Farrall, the Board voted unanimously to adjourn at 8:47 pm.

Respectfully submitted,

Kenneth V. Farrall
Secretary

- H. Mill Road swale project

2) Storm Maintenance

- A. No maintenance required due to storm events in April

3) Parks

- A. Twice weekly cleaning of restrooms, emptying trash receptacles, and stocking dog bags
- B. Removal of dead trees on Township properties/parks
- C. Spring cleanup of Township properties
- D. Mowing started for the season
- E. Weed control on Township properties
- F. Baseball/softball infield maintenance
- G. Heebner Park pavilion water leak repair

4) Vehicle Maintenance

- A. Performed weekly maintenance of all Township vehicles
- B. Removed salt boxes from vehicles and stored for the season
- C. 64-47 Tires
- D. 64-66 Salt box repairs
- E. 64-71 Clutch repair
- F. 64-63 Throttle controller programming concern

5) Miscellaneous

- A. Setting up and cleaning of Community Hall for rentals and Township events
- B. Nike Compost facility open to residents twice weekly
- C. Prepped Heyser Ring for April horse show

**Worcester Township WWTP
Operations and Maintenance Report**

March 2026

Non-Routine Maintenance / Events:

Berwick & Pump Stations – No non-routine activities

Valley Green

3/4/26 - 1.0 Hr- The PVC pipe from Trains 1&2 secondary clarifier skimmer to the influent EQ tank cracked and was slightly leaking at one of the glued 90-degree elbows. Sealed and clamped the crack. Opened the air valve and reintroduced water into the pipe and verified the repair.

2.0 Hr.- Finished installing Trains 1&2 Main blower #2.

Installed shims between the blower and table to ease belt installation and future belt replacement. Re-aligned the intake and exhaust pipes and installed new rubber pipe couplers. Installed and aligned the motor and blower sheaves, installed the drive belts, and adjusted them to proper tension. Trains 1&2 Main blower 2 is back online.

Re: MCPC #26-0074-001
Plan Name: 2022 Draft Comprehensive Plan
Worcester Township

Dear Mr. DeMeno:

We have reviewed the above-referenced comprehensive plan in accordance with Section 302 of Act 247, “The Pennsylvania Municipalities Planning Code,” as you requested on March 24, 2026. We forward this letter as a report of our review.

BACKGROUND

In 2022, Montgomery County Planning Commission drafted a comprehensive plan for Worcester Township entitled, *Worcester Township Comprehensive Plan Update 2022*. The plan is intended to serve as the township’s long range plan, with goals and implementation strategies. The proposed draft plan is organized into six main goals and objectives: (1) Transportation & Mobility; (2) Community Character; (3) Preservation; Open Space & Parks; (4) Environmental Resources & Infrastructure; (5) Governance & Public Services; and (6) Land Use & Growth Management. Worcester is focused on planning for an aging population while encouraging smart growth. The township aims to maintain the historical character of the municipality and expand their preserved open space network. The plan is an update to the township’s previous comprehensive plan, which was approved in 2008.

RECOMMENDATION

The Montgomery County Planning Commission (MCPC) generally supports the applicant’s proposal; however, in the course of our review we have identified the following issue that the municipality may wish to consider prior to final plan approval. Our comments are as follows:

REVIEW COMMENTS

ACKNOWLEDGEMENT OF PLAN COMPLETION

As you are aware, Worcester Township's comprehensive plan update was completed by the Montgomery County Planning Commission (MCPC). While MCPC supports the effort and overall content of the plan, we recommend adding a brief note to the beginning of the document that prominently outlines the date of adoption, should the Board of Supervisors choose to approve it. Because the plan was completed by MCPC in 2022, it is important for readers to understand some information may not reflect the latest trends and data available at the time of adoption.

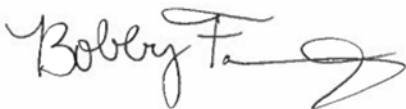

CONCLUSION

We wish to reiterate that MCPC generally supports the proposed comprehensive plan and feels that the plan will assist the township in updating their regulatory controls to work towards achieving the goals and objectives identified in the document.

Please note that the review comments and recommendations contained in this report are advisory to the municipality and final disposition for the approval of any proposal will be made by the municipality.

Should the governing body adopt this comprehensive plan, Section 302 of the Municipalities Planning Code requires that we be sent an official copy within 30 days.

Sincerely,

Bobby Fanning, Senior Transportation Planner
bobby.fanning@montgomerycountypa.gov – 610-278-3742

RESOLUTION NO. 2026-10

A RESOLUTION OF THE BOARD OF SUPERVISORS OF WORCESTER TOWNSHIP AUTHORIZING PARTICIPATION IN AN ONLINE REVERSE AUCTION FOR ELECTRICITY SUPPLY SERVICES AND AUTHORIZING EXECUTION OF AN ELECTRICITY SUPPLY CONTRACT UNDER LIMITED CONDITIONS

WHEREAS, Worcester Township purchases electricity supply services for public use and desires to evaluate available pricing through a competitive online reverse auction process; and

WHEREAS, the Township intends to participate in the EMEX Reverse Auction for the procurement of electricity supply services; and

WHEREAS, EMEX, LLC, a division of Mantis Innovation, is compensated through the participating supplier awarded a contract and that Worcester Township will not owe EMEX a separate fee unless separately approved by the Board of Supervisors; and

WHEREAS, the Board of Supervisors desires to authorize the Township Manager to execute an electricity supply contract only if the auction produces pricing that meets the limits established by this Resolution and the final contract terms are acceptable to the Township.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of Worcester Township, Montgomery County, Pennsylvania, that Worcester Township is authorized to participate in the EMEX Reverse Auction for electricity supply services.

FURTHER RESOLVED, that the Township Manager is authorized, but not required, to execute an electricity supply contract with the participating supplier that submits the winning bid in the EMEX Reverse Auction, provided that all of the following conditions are satisfied:

1. The contract is reviewed by the Township Solicitor or otherwise determined by the Township Manager to contain terms acceptable to the Township;
2. The Township Manager determines that the contract is in the best interest of Worcester Township;
3. The contract does not include unacceptable automatic renewal, early termination, pass-through, indemnification, or other material terms adverse to the Township; and
4. The fixed electricity supply price does not exceed the following limits:
 - a. For a term of no more than 12 months: \$0.07763/kWh;
 - b. For a term of no more than 24 months: \$0.07769/kWh;
 - c. For a term of no more than 36 months: \$0.07792/kWh; or
 - d. For a term of no more than 48 months: \$0.07708/kWh.

FURTHER RESOLVED, that the pricing limits stated above apply to the electricity supply/generation component of service and shall be evaluated based on the total supplier price structure presented to the Township, including any fixed charges, pass-through charges, or other supplier-imposed costs.

FURTHER RESOLVED, that this authorization applies only to the Township's current electricity supply procurement through the EMEX Reverse Auction and shall not authorize any unrelated electricity contract, renewal, amendment, or extension unless separately approved by the Board of Supervisors.

FURTHER RESOLVED, that the Township Manager, Township Secretary, and other appropriate Township officials are authorized to take all administrative actions necessary to carry out this Resolution.

RESOLVED AND ADOPTED this ___ day of _____, 2026, by the Board of Supervisors of Worcester Township, Montgomery County, Pennsylvania.

Lou Betz, Chairman

Daniel DeMeno
Secretary

Attention: Bob D'Hulster, Public Works Director

Reference: 2026 Roadway Improvement Program – Bid Results

Dear Bob:

This Bid Solicitation was opened on May 13, 2026 for the 2026 Roadway Improvement Program for Worcester Township. A total of three (3) bids were submitted for this contract. The low bid was submitted by James D. Morrissey, Inc., Philadelphia, Pennsylvania, and their Base Bid was \$1,064,488.00.

In addition to the Base Bid, there was one (1) Alternate/Add-on item included in the contract. The Township can consider awarding only the Base Bid or the Base Bid plus Alternate/Add-On item. If the Township were to award the base and alternate bid items together, the total cost would be \$1,079,248.00. After reviewing the Base Bid and Alternate/Add-on item, it should be noted that James D. Morrissey, Inc., the low bidder for the Base Bid and/or Alternate/Add-on project option.

We have reviewed the documents submitted by James D. Morrissey, Inc. that were included with their bid and find them to be in order and satisfactory.

By this letter, we are recommending the Township consider awarding the Base Bid and the Alternate/Add-on item to James D. Morrissey, Inc., for their bid amount of \$1,079,248.00.

Please note that this project does qualify for the use of PennDOT Liquid Fuel Funds and the Township will make the appropriate application to utilize these funds. Attached to this letter is a summary of bids and bid tabulation of bids received. Please contact me if you have any questions or need any additional information on this contract.

Very truly yours,
ARRO Consulting, Inc.
